

Dear Students:

The Health Professions Advising office (HPAO) is teaming up with Kaplan Test Prep and Admissions to offer two discounted (50%) test prep courses to our Pre-Health students to attend any course at a Kaplan location in the United States.

For the independent studiers, the HPAO is offering a one-time opportunity to apply for a set of new MCAT review books and materials from The Princeton Review. These books and materials are the exact same items used to study for and prepare for the MCAT exam.

The Health Professions Advising office is accepting a two part essay detailing ones' need, both financial and scholastic, in order to determine the best suited candidates to receive one of these offers. Please submit your essay entry to the Health Professions Advising office before 5 pm on **Thursday, February 23rd**. Entries should be submitted via email to [jastern@fullerton.edu](mailto:jastern@fullerton.edu).

Please contact Julie, at the Health Professions Advising office, to obtain additional details or inquire about this offer.
