Happy Holidays Everyone!

It has been so much fun putting the paper together this semester. I would like to thank everyone for their support! Thank you especially to those who wrote for the newsletter and thank you to those who read the paper too! I hope you all enjoyed the bi-monthly newsletter. Next semester, we, the student assistants will be introducing new articles and updates coming from the University Honors Program. If you are interested in writing for the newsletter email us at: UNIVHONORS@fullerton.edu. Students, professors, and anyone else reading the newsletter, we would love to have your participation.

Thank you again for all your support. Again, it has been so much fun putting together the newsletter. I hope that you have a wonderful and safe break. Good luck on finals and finish strong. Have a wonderful holiday and a happy new year! See you next semester!

UHP CENTER HOURS FOR THIS WEEK:

The UHP Center will be open all week! Good luck on finals! You are going to do great! Study hard!

DID YOU KNOW?

Thomas Edison's assistant, Edward Johnson, came up with the idea of electric lights for Christmas trees in 1882. Christmas tree lights were first mass-produced in 1850. http://urbangreen.illinois.edu/trees/FACTS.CFM

This Week

Dr. J will not be in the office all week.
This week, I was able to ask Joyce a few questions about her holiday traditions! For those who do not know, Joyce is the office manager of the University Honors and Scholars Center. She has been with the program for many years. Joyce is the woman who takes care of our UHP Center and all the logistical needs of the students and faculty in honors.

What does your family typically do for the holidays?

Joyce: Everyone comes to my house and we spend time together.

What is a fun holiday family tradition?

Joyce: Within the season, we go to Disneyland. We see the fireworks and the holiday snow.

What is your favorite holiday dish?

Joyce: Baked Mostaccioli. For those who do not know what that is, it is a round angle cut pasta with ricotta cheese and a red sauce.

(Sounds good to me!)

What is the best thing Santa ever brought you?

Joyce: My new car is pretty nice. I probably will not be getting anything this year because I got a new car last year.

It is always enjoyable talking to Joyce! If you have not had the chance to say hello, you should! On the way back from picking up your printing make sure to say hi to Joyce.
