The goal of the Honors Student Activities Council (HSAC) is to build a strong community between all honors students and faculty while also raising awareness of the University Honors Program at Cal State Fullerton. We host a variety of social, community service, and networking events to strengthen the bonds between members of the Honors Program and between the Honors Program and the university.

HSAC is a great way to meet new people within the honors program. Through the different events we host, you receive the opportunity to get to know other honors students in a relaxed and welcoming setting. A great time is guaranteed!

Members of HSAC receive discounted or free admission for our ticketed events. We also keep a point system for all of our registered members, and members that accumulate the most points will be recognized at our awards banquet at the end of the school year.

Membership is only $15 for a full year or $10 per semester. Contact csufhsac@gmail.com for a membership application or more information, and like our facebook page at facebook.com/csufHSAC to stay updated on all of our events!

_Something New:_

The Honors Center is hosting Study and Socialize Tuesdays and Wednesdays 3-5 in the University Honors Center PLN-120

_Friendly Reminder:_

No cellphone use in the University Honors and Scholars Center. Please be polite and take your phone call outside.
Welcome to the UHP Center! This is a place for honors students to meet other honors students, study, hang out, talk to Dr. J, and generally make yourself at home. Here is a brief guide to the ways of the UHP Center:

- Make sure to check-in at the front desk by swiping your Titan card in the swipe machine (even if no one is currently at the front desk).
- The center is reserved for honors student use only (sorry no non-honors students allowed).
- Seeing as your non-honors student friend is not allowed to come into the center, take the time to meet the person in the chair next to you!
- Free printing! Yay! You may print for free here, but limit printing to fifteen pages and for your academic classes only.
- Sorry, no eating in the library and that means no eating in the UHP Center either, with the exception of food items brought in by Dr. J (please don’t make the student assistants have to tell you to leave).
- R-E-S-P-E-C-T! Tell me what it means to… the UHP Center. Please treat everyone with respect by keeping the noise level low and being mindful of the amount of time spent on the computer. Also, treat the room with respect by not leaving any trash and leaving the room as you found it.
- The UHP Center is a place of study and socialization, but not nap time (so please no sleeping here; it is really awkward to have to wake you up).
- Make sure you keep up with announcements posted on the bulletin boards and posters!
- The room is for you, but it is also the home of Dr. J, Joyce, and the student assistants. Please remember the ways of the UHP Center and also make sure to say hello to all of them!
