
International Education & Exchange Updates
June 19, 2009

The Office of International Education & Exchange (IEE) is currently accepting applications for Volunteer International Peers (VIP)!

Be a VIP

If you enjoy meeting people, helping others and learning about different cultures then you are ready to become a VIP! Get actively involved in different international activities and be an Volunteer International Peer!

➤ **What is the Volunteer International Peer (VIP) Program?**

The VIP program is designed to assist international students with their continual transition to the CSUF campus and community. VIPs will have the opportunity to expand their leadership and cross-cultural communication skills, while developing friendships with students who share either the same cultural background or educational goals.

➤ **VIP Benefits include:**

- Enriching your CSUF experience as well as international students' experience
- Creating friendships with students from around the world
- Gaining valuable skills and experience for today's global market
- Developing your leadership & cross-cultural communication skills
- Building your resume or CV
- Having fun learning about other cultures

➤ **Several ways how you can serve as a VIP:**

1. International Student Orientation Leader

Be a member of the welcome team at the IEE office, meet and assist newly admitted international students (a special training will be provided).

2. Intercultural Intern

Be a student intern willing to learn about the field of international student services and assist the IEE office on various projects. This opportunity is available for academic credit and is unpaid.

3. Cross-Cultural Contact

Be a resource person to new and current international students who share either similar cultural backgrounds or similar degree programs. Cross-Cultural Contact VIPs assist international students by sharing their individual perspectives on courses, insights into academic success and tips on extracurricular activities (student activities, internships, leadership opportunities).

If you are interested in becoming a Volunteer International Peer (VIP), complete a VIP application. Applications can be found at the International Education & Exchange Office, University Hall-Room 244, and on our website: www.fullerton.edu/international (under Forms).

I look forward to receiving your application!
Thank you!

Jean Hotta
