Dear International Students,

As you are aware, in order to maintain F1/J1 status, you are required to enroll in full-time units each semester. If you have not finalized your Fall 2009 class schedule due to miscellaneous reasons (i.e. class closures), please read the following registration information to avoid paying the \$25 late fee:

**Registrar Class (REG 999) - Students unable to enroll in any classes because they are closed may enroll in the Registrar Class (REG 999) 5-digit course #19200 (Irvine Campus students use #19201). Students thus become officially registered and pay minimum fees by their payment due date, thereby avoiding the \$25 late registration fee that goes into effect as of the first day of class. This is a temporary device to enable students to add classes during the next registration period, if classes are available then, or to wait for decisions on admissions into specific courses.**

**You must withdraw from REG 999 to add other courses. If you are unable to add other course, you are required to withdraw. Any student who does not add a regular course or withdraw with a refund will be administratively withdrawn from the university.**

If you have further questions or need assistance with your registration, please call the TITAN Help Line at (657) 278-7601.

Thank you.
