Are you a newly-arrived international student who would like to meet people and make new friends? Are you a returning international student who wants to stay connected with friends and continue to meet new people? Are you an exchange student who is trying to connect with other international and U.S. students?

If any of these descriptions sound familiar to you, you will definitely enjoy getting together and finding out how to make new friends and stay connected. We invite you to a dialogue called “Cross Cultural Conversations”.

For the Cross Cultural Conversations participants, there will be a free pizza and bowling activity later in the evening (from 4 -6 pm). Reservations are required for the pizza and bowling activity (free for the first 25 students who sign up).
