

# REU FOR MATH STUDENTS

## International Research Experience for Students in Uzbekistan

May 31, 2019 - August 4, 2019

The International Research Experience for Students in Uzbekistan is a National Science Foundation funded program that gives U.S. students summer research experience in Uzbekistan, the birthplace of algebra, under the mentorship of world-renowned mathematicians: Shavkat Alimov, Shavkat Ayupov, and Utkir Rozikov in Leibniz Algebras, Harmonic Analysis and Dynamical Systems. The students will spend nine weeks conducting research at the Institute of Mathematics in Tashkent, Uzbekistan.

### Program Benefits

- \$3,500 Stipend
- Roundtrip flight from Los Angeles covered
- Housing, meals and local transportation provided
- Overseas health and travel insurance provided
- Opportunity to engage in cutting edge research
- Many professional development activities
- Trips to ancient Silk Road cities

### Program Eligibility

- U.S. citizen or permanent resident
- Current junior or senior undergraduate students
- Must enroll as a college-level student in Fall 2019
- Mathematics major with a minimum 3.0 GPA
- Participants may not take courses during the program

### How to Apply

Visit [www.fullerton.edu/ires-uz](http://www.fullerton.edu/ires-uz)  
for application and more information.  
Apply by **January 15, 2019** for full consideration.
