Welcome to the Titan family! This welcome packet is to give you some quick information about CSUF’s Irvine location and the resources that you are entitled to as a student. Although we can’t meet face to face, keep in mind that you have a whole team at Irvine wanting to help you. Please review the enclosed information, and visit http://www.fullerton.edu/irvine for more information. We hope to see you soon!

Sincerely,
The Irvine Center Team

Frequently Asked Questions

Do I need a separate parking pass for the Irvine Center?
No. The Irvine Center is a part of the Cal State Fullerton campus, so we do not have a separate Irvine parking pass. A valid CSUF parking pass is required to park at the Irvine Center.

How do I find courses offered at Irvine?
You can search for Irvine courses by choosing “Irvine Campus” as the Location in the Class Schedule Search. All Irvine courses will also have a room number starting with "IRVC".

Where is the Irvine Center?
The Irvine Center is located about 18 miles south of the Main Campus at 3 Banting. We are just north of the Irvine Spectrum Center.

What courses are offered?
The Irvine Center offers courses that covers most of the GE Areas, as well as offering specific major courses. Our most popular majors are Business, Psychology, Communications, and Child and Adolescent Development.
