Welcome to the October edition of the student newsletter!

And More importantly, welcome back to another exciting semester at CSUF’s Irvine Campus! The start of the semester and new school year means the start of many exciting programs and initiatives to make your experience at Irvine all the more exciting! All Titans can benefit from the variety of services and programs that the Irvine Campus has to offer. This issue highlights upcoming events, including various resources that may be of interest to you.

Be sure to utilize your CSUF-Irvine Advising staff when it comes to planning your next semester. Appointments can be made using the “Make An Appointment” feature (click here).

Every month we’ll be highlighting some upcoming events, past events, and what’s going on around the Irvine Campus. So stop by at the end of every month to get updates on upcoming involvement opportunities, student spotlights and faculty contributions.

If you’re interested in getting involved in campus events make sure to follow us on social media platforms such as Facebook, Twitter and Instagram for regular updates on what happens on campus. To get more involved with our campus newsletter in anyway, check out our contact information at the end or feel free to stop by Room 140 to find out how you can contribute. If you have ideas or suggestions for future newsletter items, please email us at irvinecampus@fullerton.edu or zz-pbell@exchange.fullerton.edu.

- Division of Student Affairs
With student enrollment at 4,279, as of September 16, 2015, the CSUF Irvine PD substation has been a bit busier than in the past. Please keep in mind the following safety tips so that you can help reduce your opportunity of victimization:

1. Never leave your personal belongings unattended or ask someone else to watch them. Theft is still the number one crime on campus. There have been many cases of ID theft.
2. Please lock all car windows and doors so your parking permits are not stolen and then sold on Craigslist.
3. Be aware of your surroundings when walking around campus late at night. Walk with your key in hand ready to get into your car. Avoid fumbling around for keys at the last minute through your purse or pockets.
4. Remember you are responsible for your safety. Please be prepared to run away or use your cell phone to record or take a photo from a safe distance of anything suspicious.
5. If you see something that is out of the norm regarding another student, please say something to someone before it is too late. Listed below are some of services on campus that can assist, such as:

Counseling and Psychological Services—Fullerton (657) 278-3040
They answer the phone 24 hours a day

Irvine Campus Counseling and Psychological Services (657) 278-1628
Mon – Thurs. 8:00 A.M. – 4:00 P.M., Fri. 8:00 A.M. – 11:00 P.M.

Student Health Services (657) 278-2800

Dean of Students (657) 278-3211

University Police (657) 278-2515
Use 911 If there is an emergency while on or near CSUF

Irvine Campus Police Sub-station (657) 278-1626

The speed limit in the CSUF Irvine campus parking lot is 10 MPH. Please slow down.

Do not drive and talk/text on your cell. Pull over or use a bluetooth or an earpiece and keep BOTH HANDS ON THE STEERING WHEEL AT ALL TIMES.

University Police is currently teaching a Rape Aggression Defense class in collaboration with the Student Recreation Center at the CSUF campus. The 12-hour women’s self-defense class is taught once a semester. Please see the Daily Titan article: http://www.dailytitan.com/2015/09/rape-aggression-defense-classes-started-
