

Connecting to the Campus via Exchange Activesync

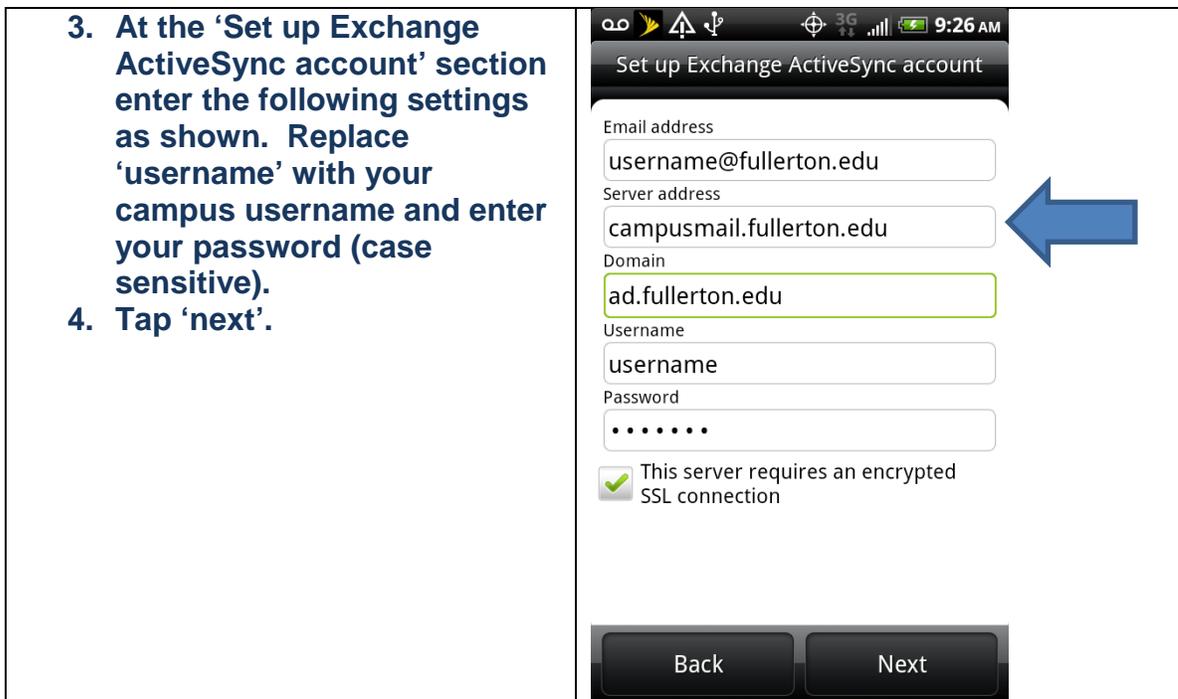

Applies to – Google Android based devices only

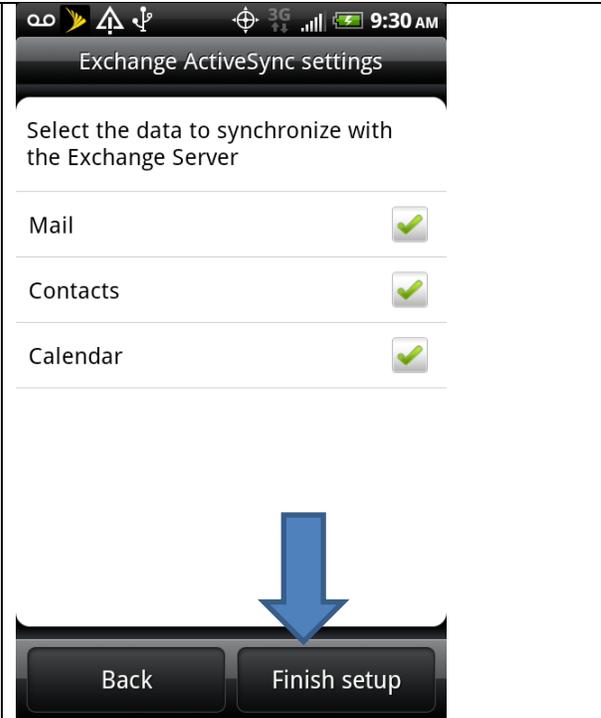

If you are already connected to the Campus Exchange system, please proceed directly to step 3 and enter the correct server settings.

<p>1. From the desktop of the device tap the 'Mail' icon.</p> <p>-Alternately you can reach the settings by tapping the 'menu button located in the lower left and opening the 'settings' icon.</p>	<p>The screenshot shows an Android phone home screen. At the top, the status bar displays signal strength, 3G, and the time 1:57 PM. Below the status bar is a large digital clock showing 1:57 PM. Underneath the clock is a weather widget for Anaheim-Santa Ana, showing "Sunny" and a temperature of 73° with high/low of 80°/45°. The home screen has several app icons: Messages, aFullerton, Voicemail, People, Mail (with a notification badge of 56), and Camera. At the bottom is a dock with icons for Phone and a plus sign. A blue arrow labeled "Menu" points to the left side of the phone's bezel, and another blue arrow points to the Mail icon.</p>
