

Do I have Java Installed?

Description

You can check if you have Java installed by visiting the following link: <u>http://www.java.com/en/download/installed8.jsp</u>.

NOTE: If you do not have Java, you will be prompted to download Java. You may also download Java by visiting the following link: <u>http://www.java.com/en/download</u>.

Java Applets are not supported on Microsoft Edge, Google Chrome, or 64-bit versions of Mozilla Firefox.
