

Jaws & ZoomText

Registration & Activation

1. Go to <https://portal.freedomscientific.com/HomeUse/HigherEd>
2. Enter your "CSUF Email Address" and continue to registration
3. Create a Freedom Scientific Account
4. Verify your email address and log back in to Freedom Scientific
5. Select your preferred software. Only one of the two can be selected
6. Choose and Install the software based on your operating system.

Detailed Instructions Below

Step 1 – Register for a Freedom Scientific Account

1.

GO TO:

portal.freedomscientific.com/HomeUse/HigherEd

ENTER:

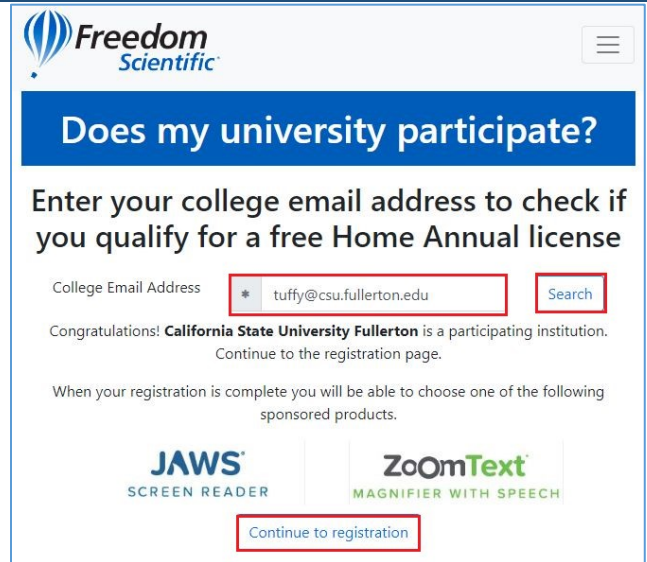

Your CSUF student email address which should look like "Username"@csu.fullerton.edu

CLICK ON:

Search

CLICK ON:

Continue to registration

2.

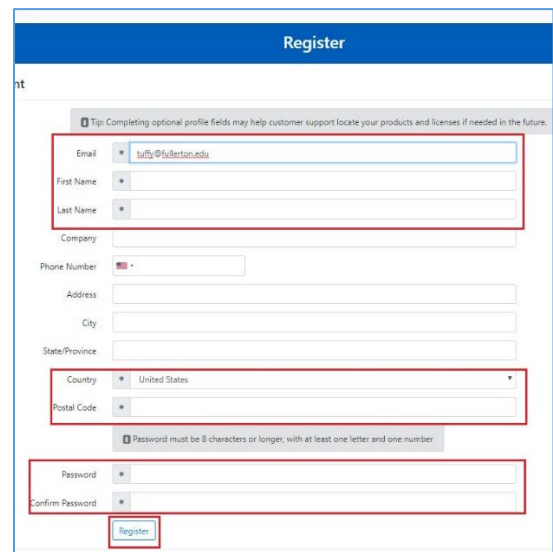

ENTER:

The required information to register (*).

CLICK ON:

"Register" to create a Freedom Scientific account.

NOTE: Do NOT use your campus password to create the account. Please create a new password upon signing up.

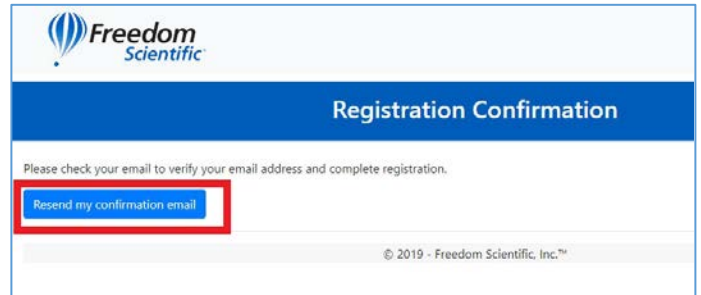

Step 2 – Verify your email & Login

1.

Check your CSUF email account for a registration confirmation email. If you have not received an email, check your spam folder.

NOTE:

If you still didn't receive an email, click on "Resend my confirmation email"

2.

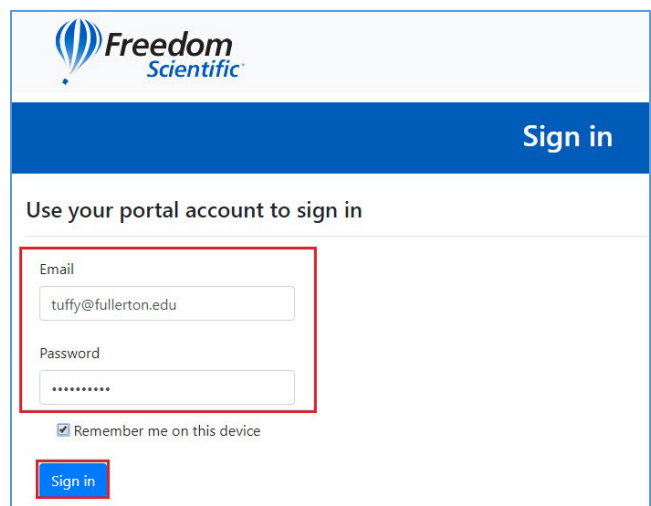

Once you verify your email, you will then be redirected to the Freedom Scientific login screen.

ENTER:

Your CSUF email and password that you created in the earlier steps.

CLICK ON:

Sign In

3.

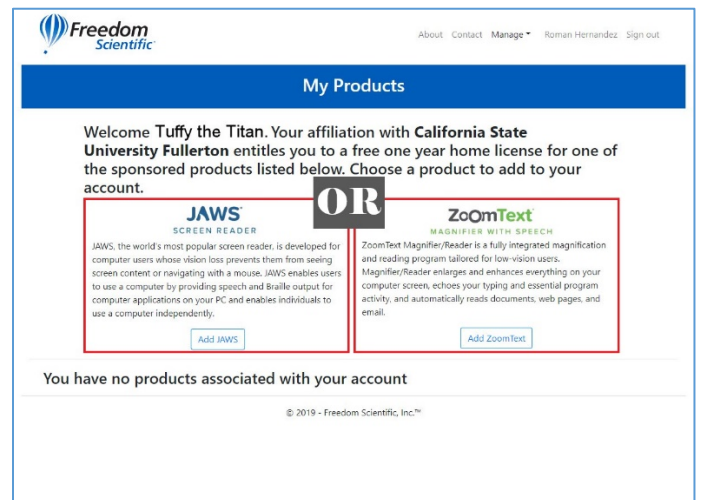

SELECT:

Your preferred software. Jaws or ZoomText by clicking on their respective "Add" buttons.

NOTE:

You can only request one of the software applications provided and will not be able to get both.

The software can be installed on up to 3 computers

Step 3 – Install & Activate the Software

1.

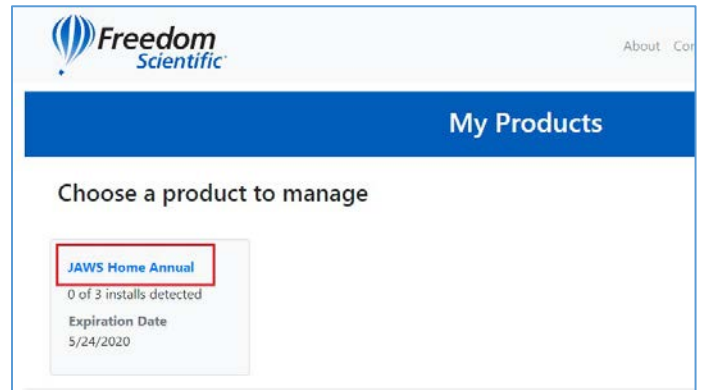

After you have selected your software, you will then be able to install it to your computer.

CLICK ON:

The name of the software you selected. In this example we selected JAWS, click on **Jaws Home Annual**

NOTE:

The remaining steps show installation for JAWS, however the process will be the same for ZoomText.

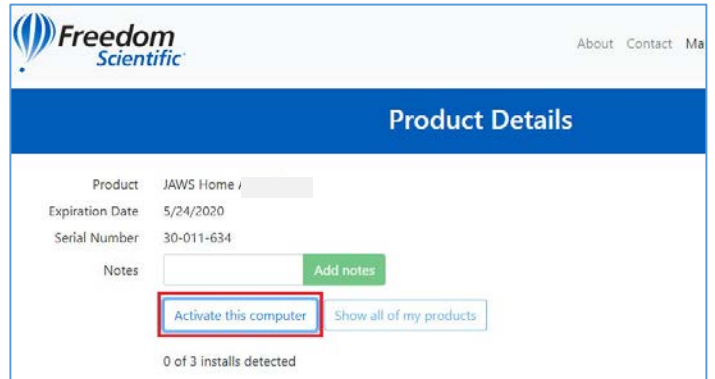

2.

STOP:

Before starting the installation process, make sure you using the computer that you want to install the software on.

CLICK ON:

Activate this computer

3.

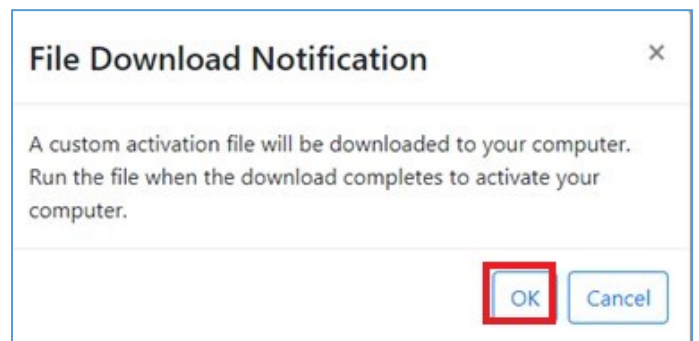

You will then see a File Download Notification window.

CLICK ON:

OK

OPEN:

The file once the download is complete
File Ex: (NameofUserJAWSLicenseActivator.exe)

4.

CLICK ON:

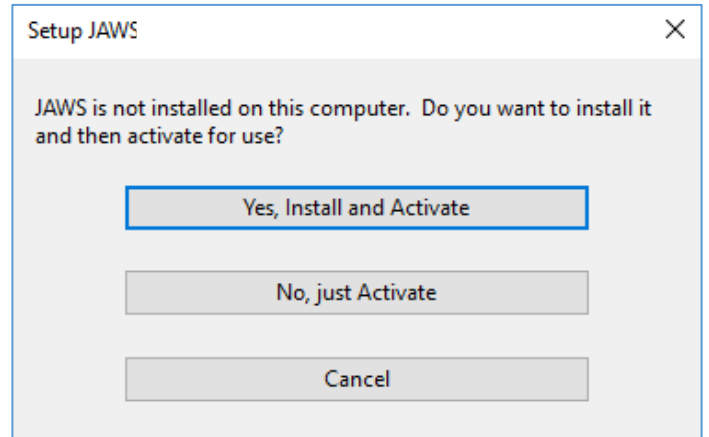

Yes, Install and Activate

NOTE:

If you have the software installed and only need to Activate it, you may select "No, just Activate"

CLICK ON:

"Yes" on the Windows security box

5.

The installation wizard will start up

CLICK:

The box for "I accept the license agreement"

CLICK ON:

Install

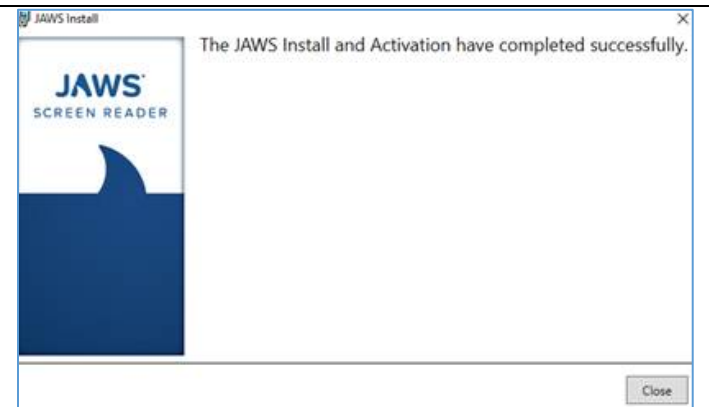

6.

The application is now installed

CLICK ON:

Close

7.

Jaws or ZoomText should now be Installed & Activated
