<p>Step Five</p> <p>If you see the Verify Login Information window, you will need to authenticate with your CSUF portal username and password.</p> <p>To verify click on the “Click here” link.</p>	<p>The screenshot shows the 'License Selection' window with the title 'Select a license or enter an Activation Key'. A 'Verify Login Information' dialog box is open, displaying an error message and a link to verify login information. Below the dialog, there is an option to 'Enter an Activation Key for a license not listed' with an empty text field. The MathWorks logo is visible in the bottom right corner.</p>
<p>Step Six</p> <p>After your information has been verified, you will be directed back to the installer window.</p> <p>Click on Confirm.</p>	<p>The screenshot shows the 'Confirmation' window with the title 'Confirm selection:'. It lists the license number (898605), activation type (Total Academic Headcount Campus - TAH Designated Computer), and the user who activated it (harry.potter@csu.fullerton.edu). A note states 'This information will be sent to MathWorks.' The 'Confirm >' button is highlighted with a red box. The MathWorks logo is in the bottom right corner.</p>
<p>Step Five</p> <p>Click on Finish to complete the activation process.</p>	<p>The screenshot shows the 'Activation Complete' window with the title 'Activation Complete' and the message 'Activation is complete.' The 'Finish' button is highlighted with a red box. The MathWorks logo is in the bottom right corner.</p>
