There are a total of 188 Smart Classrooms and lecture halls on campus. All 8 colleges have access to these General Use Smart Classrooms.

E-Forms

E-FORMS OVERVIEW
E-Forms is an online form repository replacing Informed Filler. E-Forms is a web-based system for CSUF employees to submit a variety of campus forms.

At this time only Human Resources forms are available for E-Forms

E-FORM CLASSES

IT Training offers basic classes regarding E-Forms.
Web training as well as web tutorials are offered online on the IT Training website. Below is a list of tutorials and training offered.

Training
E-Forms overview online class—This training video gives a general overview about accessing and using eForms

Tutorials
Navigating to eForms
Completing a form
Changing the size of the form (zoom)
Saving a form
Printing a form
Closing a form

More in-depth tutorials for specific forms are offered by the Division of Administration & Finance. Classes are held through the University Business Institute: http://www.fullerton.edu/ubi
