You will notice that there is a Titan Online tab and also a New Titan Online tab. The current Titan Online will remain available until the end of 2008. During this period of transition if you're unsure which tab to use, try the current one first and if that function has migrated to the New Titan Online, you will see information telling you to use the new system. Let's go take a look at the New Titan Online.

Slide 14 - Slide 14

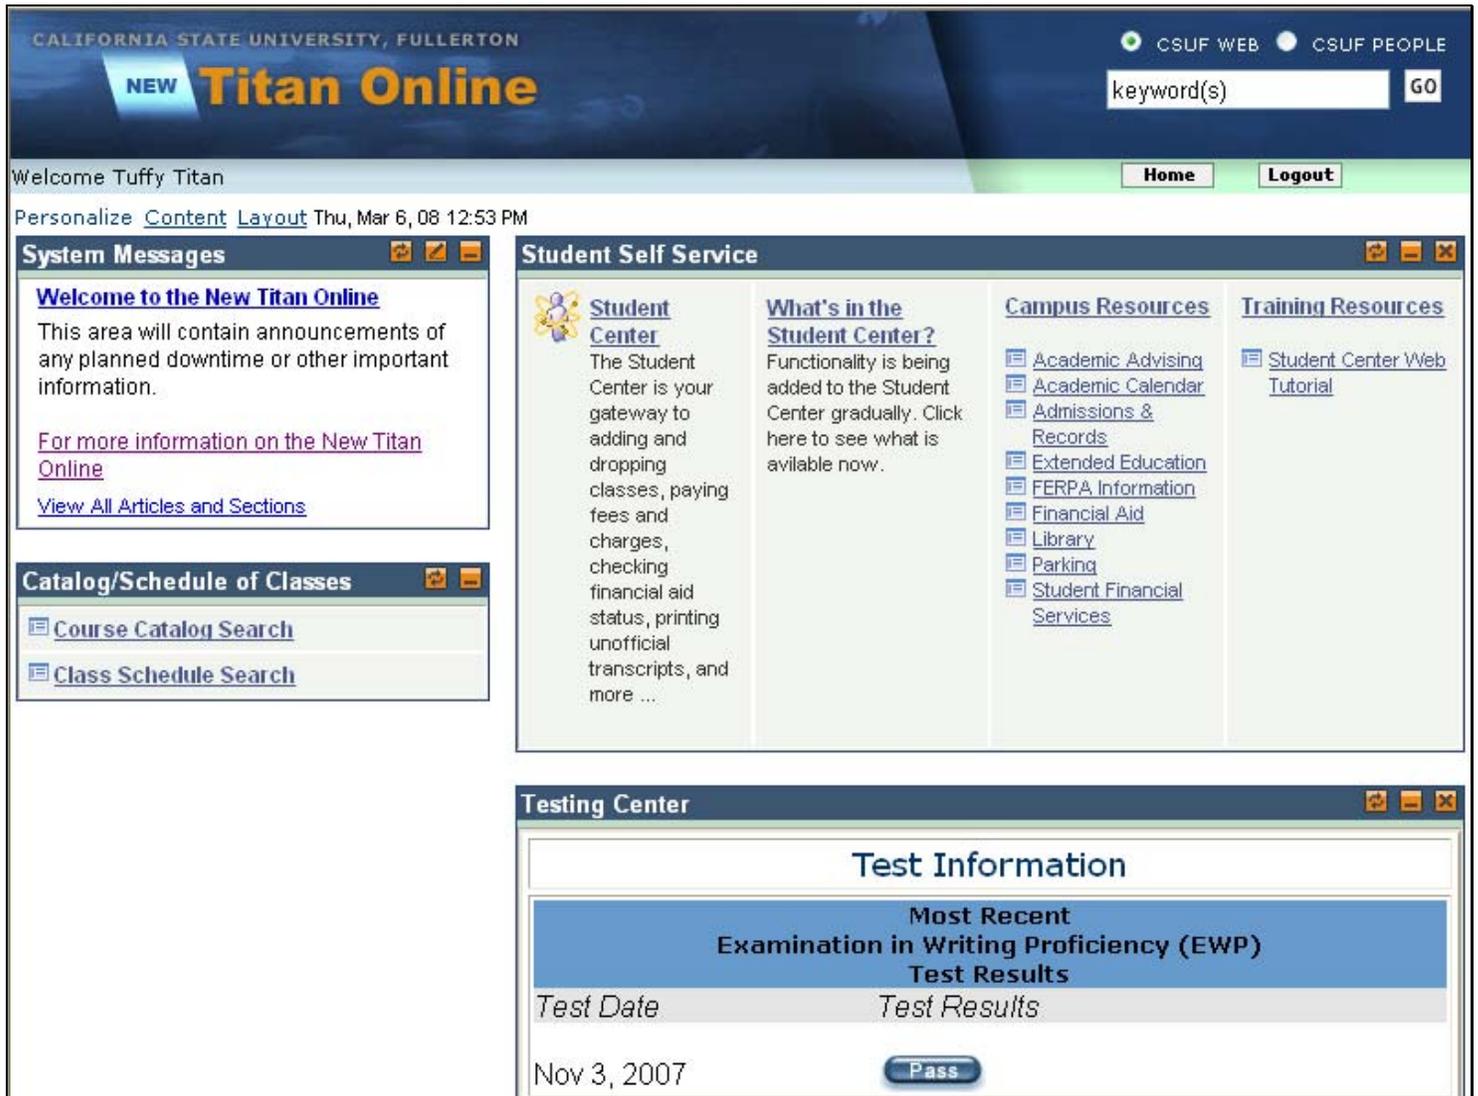

The screenshot shows the Titan Online Student Center interface. At the top, it says "CALIFORNIA STATE UNIVERSITY, FULLERTON" and "NEW Titan Online". There is a search bar with "keyword(s)" and a "GO" button. Below the search bar are "Home" and "Logout" buttons. The main content area is divided into several sections:

- System Messages:** A message titled "Welcome to the New Titan Online" stating that the area will contain announcements of any planned downtime or other important information. It includes links for "For more information on the New Titan Online" and "View All Articles and Sections".
- Catalog/Schedule of Classes:** Contains links for "Course Catalog Search" and "Class Schedule Search".
- Student Self Service:** A large section with four columns:
 - Student Center:** Describes the Student Center as a gateway to adding and dropping classes, paying fees and charges, checking financial aid status, printing unofficial transcripts, and more.
 - What's in the Student Center?:** States that functionality is being added to the Student Center gradually and invites users to click here to see what is available now.
 - Campus Resources:** Lists various services including Academic Advising, Academic Calendar, Admissions & Records, Extended Education, FERPA Information, Financial Aid, Library, Parking, and Student Financial Services.
 - Training Resources:** Includes a link for "Student Center Web Tutorial".
- Testing Center:** Displays "Test Information" for the "Most Recent Examination in Writing Proficiency (EWP) Test Results". It shows a table with columns for "Test Date" and "Test Results". The date "Nov 3, 2007" is listed, and the result is "Pass".

Slide notes

When you click on the tab, a new browser window opens where you can access your Student Center. The Student Center provides a "home base" for accessing your student information. Before we enter the Student Center, let's take a look at the features on this page. Notice the "Home" and "Logout" buttons in the upper right corner. If you are in the Student Center and want to come back to this start page, you can always click on "Home."
