

**DEPARTMENT OF MATHEMATICS
COLLEGE OF NATURAL SCIENCES AND MATHEMATICS**

**FULL TIME LECTURER
Non Tenure-Track**

The Department of Mathematics at California State University, Fullerton invites applications for a full-time lecturer position in the area of mathematics teaching at the lower-division level. CSUF values and is dedicated to the goal of building a diverse community. We strongly encourage applications from candidates who can demonstrate through their teaching, research or service that they can contribute to the diversity and excellence of our community.

Position

Candidates for the position should be persons with strong interest and experience in mathematics teaching at the lower-division level. Primary responsibilities include 1) teaching lower-division mathematics courses, such as “stretch” college algebra, traditional college algebra, trigonometry, pre-calculus, and calculus; and 2) coordinating and developing multi-section mathematics courses at the first-year level. This position offers the opportunity to work closely with and help support other instructors, as well as the opportunity to be involved in course development activities, including curriculum development, implementing alternative classroom strategies, and using effective instructional technologies.

Qualifications

- Master’s degree in mathematics from an accredited institution by appointment date.
- Strong evidence of effectiveness in the university classroom at the lower-division level.
- Experience with training other instructors.
- Experience with course and curriculum development.
- Ability to work and interact effectively and collegially with a wide and culturally diverse range of students, staff, and colleagues.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect application status of applicants or continued employment of current CSU employees who apply for the position.

Department

The Mathematics Department has 38 full-time faculty members and offers undergraduate degree programs with concentrations in Teaching Mathematics, Pure Mathematics, Statistics, Actuarial Science, and Applied Mathematics. The Department also offers a master’s degree program with options in Teaching Mathematics, Applied Mathematics, and Statistics.

Appointment Date

January 21, 2019

Rank and Salary

This is a full-time, non tenure-track, lecturer position. Appointment is for one and a half years with an ending date of June 30, 2020, and may be renewed for additional year(s) based on satisfactory performance and funding availability. Salary is competitive and will be commensurate with experience and qualifications. Excellent comprehensive benefits include health/vision/dental plans; access to campus child-care, based on availability of openings; and a defined-benefit retirement through the State system, along with optional tax sheltering opportunities. For a detailed description of benefits, please consult http://hr.fullerton.edu/payroll_benefits/HealthCarePlans.php

Job Control Number

10777BR

Application Procedure

Candidates should submit a cover letter summarizing their background in mathematics and commitment to excellence in teaching a diverse student population; a curriculum vita; three letters of reference; and transcripts of graduate and undergraduate work. Women and minority candidates are especially encouraged to apply. Applicants must submit their materials through www.mathjobs.org. Search position ID: CSUF-FTL2018

In addition, please complete an Applicant Data Flow form via this link to the CSUF secured website: <https://hr.fullerton.edu/appdataflow> and enter the Job Control Number listed above. Questions about the application process may be submitted to Renee Bennett at rbennett@fullerton.edu. Questions about the position may be addressed to Dr. Martin Bonsangue at mbonsangue@fullerton.edu.

Application Deadline

For full consideration, completed applications should be received by Monday, December 3, 2018.

The person holding this position is considered a 'mandated reporter' under California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 Revised July 21, 2017 as a condition of employment.

California State University Fullerton celebrates all forms of diversity and is deeply committed to fostering an inclusive environment within which students, staff, administrators and faculty thrive. Individuals interested in advancing the University's strategic diversity goals are strongly encouraged to apply. EEO employer. Reasonable accommodations will be provided for qualified applicants with disabilities who self-disclose.
