OPI Rating Rationale
Chinese
IVR # 132216
Rating: AH

This OPI is rated AH because:

- Candidate functions at the Superior level most of the time when called upon to do so.
- Candidate consistently handles tasks with extended discourse, but occasionally has problems in words selection.
- Candidate can discuss both concrete topics and abstract concepts.

………………………………………………………………………………………………..

It is NOT rated S because:

- Candidate uses words or phrases that make speech often seem unnatural.
- Candidate does not fully and consistently function at the Superior level across a range of topics.

………………………………………………………………………………………………..

It is NOT rated AM because:

- Candidate performs most of the time at the Superior level.
- Candidate can discuss tasks abstractly and concretely.
