

## Informal Self-Assessment –

# Fist of Five

By Elizabeth Jiménez

- Using the fingers on one hand, form a fist and hold your fist to your chest.
- On a scale of 1-5, show me the number of fingers that represent your level of familiarity with, knowledge, understanding of \_\_\_\_\_ (today's topic).

1. I have no idea what you are talking about.
2. I've heard of it before but I am hazy on the details.
3. I know a bit about it but I'm not sure I can explain it.
4. I am familiar with \_\_\_\_\_ and can explain it fully.
5. I know it so well, I could get up there and teach this session.
