

Developing a College-Going Culture at the Beginning of the Year

Signature Activity

In this activity, you have a series of squares that have descriptions at the top of each square and then a space below for students to sign their initials. Circulate around the room and find people who can answer an item on your bingo card. You may each initial one box only on each other's sheet.

Has a brother or sister who attends Cal State University, Fullerton	Knows what A-G requirements are	Is planning to leave the Orange County area when s/he goes to college	Is bilingual/biliterate?	Can name two technical schools
Plans to attend the same college or University you did	Has completed the FAFSA or knows what the deadline for completion is.	Has a Ph.D or knows what those letters stand for	Has a parent who graduated from college	Has taken the SAT test
Has started a savings plan for college	Is the first one in their family to go to college	Can name the mascots from 3 UC schools	Knows which college has an Anteater for a mascot	Can name their high school counselor
Can name the university where President Obama went to school	Can name a college major that studies animals.	Can name 3 college scholarships	Can name a university whose colors are Cardinal and Gold	Can name a school where you can study computer science
