To make the most of your first year as a Titan, find ways to learn how to access campus resources; build friendships and connections with peers, instructors, and staff; and develop a strong foundation for your overall academic success. The Office of First Year Experience (OFYE) connects first-year students who are undeclared to a community of first-year friendly faculty, professional staff, student success fellows, and peer mentors.
Enroll in UNIV 100: Foundations for College Success, Lifelong Learning and Self-Development

Once enrolled in UNIV 100, students are automatically part of the Compass Crossing Learning Community, which offers:

* Career Exploration related to personal & professional goals
* An opportunity to build self-meaning in a global society
* A community with UNIV 100 peers
* Connection to campus resources

UNIV 100 students will also explore different majors; develop time management strategies & productive study habits; and earn 3 units of college credit!

First Year Connection
For students who want to live on campus, OFYE offers the option of residing in Pine Residence Hall, with First Year Connection as their themed living-learning community.

* Offers all regular benefits of OFYE
* Resource Center with study space
* Social & Informational programs
* Other FUN activities!
