You are entering one of the most diverse campuses in the nation, and we are excited to help you make CSUF your new home. The next steps in preparing for the start of your first semester includes completing your mandatory orientation requirement. Your orientation requirement consists of you registering for and attending a mandatory Freshman Orientation session.

Orientation

Orientation is a full-day program designed to allow you to meet fellow new students, connect with current CSUF students, faculty, and staff, receive mandatory academic advising, and register for your Fall classes.

Your mandatory orientation session will last from 8 am to 5 pm, and you are required to attend for the entire duration of the program.

Orientation Costs

The cost of attending orientation is $85 for students, which covers your meals and materials for the day. This fee is nonrefundable.

Fee Deferrals:

Based on anticipated financial aid, some students may be eligible for a fee deferral at the time of registration. This means that while you pay nothing now, collection of the student’s orientation fee will be postponed until 10 days before the start of the term. A student with an Expected Family Contribution of “0” is automatically awarded the deferral if they meet the criteria.

If you are awarded a fee deferral and withdraw from the University, you will be responsible for any outstanding orientation fees that will no longer be covered by financial aid. If you do not receive enough financial aid to pay your orientation fees you will be responsible to pay the postponed fees 10 days before the start of the term.

Registration Cancellation and No Show Policies:

Once you register for orientation and select a date, you are responsible for attending on the date you have selected. If you withdraw your admissions from the University prior to attending orientation, or cancel your orientation registration, you are not eligible for a refund. All orientation fees are nonrefundable.

Missing or not attending your selected orientation date may result in the loss of your admission to Cal State Fullerton.

Concurrent Parent and Family Orientation:

NSO also includes a concurrent Parent and Family Orientation program at an additional and nonrefundable fee. This program is separate from Freshman Orientation and only for families and support.

Next Steps:

You must register for orientation before the deadline of May 1st, 2018 at 11:59 pm PST. Missing this deadline may result in the loss of your admission to Cal State Fullerton.

DEADLINE to SIGN UP for ORIENTATION is MAY 1, 2018
at 11:59 PM PST
Student are encouraged to complete a PRE-ORIENTATION tutorial.

Students are required to complete a MANDATORY Title IX Training, accessible through the Orientation Registration Site.

**Pre-Orientation Tutorial:**

We highly recommend you complete the Pre-Orientation tutorial before you attend your New Student Orientation session. This tutorial will prepare you for your orientation date and allow you to prepare questions for your faculty advisors, Assistant Deans, and Orientation Leaders for the day of your NSO.

Not Anymore: Protecting Our Campus Community from Sexual Harassment and Interpersonal Violence

CSUF wants to make sure you know how to recognize violence, know the options for reporting violence, the resources available to students who experience violence, and ways our campus works to prevent and raise awareness of violence. In an effort to provide all Titans with information on how to stay safe, all incoming students are required to complete Not Anymore. Not Anymore is a series of videos about how you can prevent and respond to interpersonal violence, including sexual assault, domestic violence, dating violence and stalking. This training is part of a campaign under “Title IX”, a federal regulation that prohibits discrimination and harassment based on sex and gender on our campus. Not Anymore is a required of all students and must be completed before you attend orientation. You can access Not Anymore through the button below. Failure to complete this training prior to orientation may result in the placement of a registration hold. It's on all of us as Titans to intervene to stop discrimination, harassment and violence from occurring.

**How to Change Majors**

**Optional** | Students have the option to change their major themselves prior to matriculation. A list of open majors is provided and a student may change as often as they like.

Each time a student changes their major they will be required to select a new orientation session that is applicable to their new major.
Students attending Freshman Orientation have the opportunity to register up to two parents to accompany them to orientation and attend a special concurrent session designed for parents of Fullerton students.

The cost of attendance are the following:
- $65 for 1st parent/guardian
- $35 for 2nd parent/guardian

Regardless of how many parents are or are not attending, the student is asked to complete contact information for at least one parent.

**Payment may take 24 to 48 hours to process for guest payments.**

### Pay for Orientation Fees

Students will be redirected to Student Financial Services (CashNet) to pay for their orientation fees.

Students will receive confirmation e-mail upon successful transaction. Students with EFC (Estimated Family Contribution) of 0 will have fee deferred, however must still pay for parents/guests.
