Please note the following:

- **DEADLINES** - The Honors & Scholars Program Application is a joint application so it is important that you note that there are different application deadlines, but we can only list one on the portal. The President’s Scholars Deadline is February, 22nd. The other programs will have rolling deadlines starting with March 2nd.
- **PROGRAM CHOICES** - Make sure to answer yes to the programs you are interested in. This will activate specific additional questions or essays that you will need to complete.
- **APPLICATION SUBMISSION** - We can only review your application once you have completed the whole application, entered your essay, added recommenders, and clicked submit.
- **RECOMMENDERS** – Your recommenders only get notified when you click submit. You may want to consider submitting your application before the deadline so your recommender has time to complete their part.
- **TECH SUPPORT** - If you need technical support please contact scholarshiphelp@fullerton.edu
