Educational Partnerships provides students with opportunities aimed at fostering academic, personal, and professional skills with the goal of progressing onto higher education. We are committed to fostering collaborative relationships with schools, school districts, colleges, universities, parents and community organizations to provide meaningful educational experiences that impact the lives of students.

**GRANT FUNDED PROJECTS**
Educational Partnerships houses five federal grants.

**GEAR UP:** A six-year grant was funded in 2011 to serve students from the 7th grade up to high school graduation. The cohort is entering the 10th grade at Magnolia, Savanna, and Western High Schools. An additional grant was funded in 2008, which served students from the 7th grade up to their high school graduation from Anaheim, Loara, and Katella High Schools in AUHSD. Both grants work in partnership with Anaheim Union High School District (AUHSD).

**EDUCATIONAL TALENT SEARCH:** Since 1991 Talent Search has been serving nearly 600 students from Anaheim, Magnolia, Katella, and Savanna High Schools in then AUHSD to progress onto college.

**UPWARD BOUND:** Since 1992 Upward Bound has been serving nearly 90 students from Century, Saddleback, Santa Ana, and Valley High Schools in the Santa Ana Unified School District to progress onto college.

**MCNAIR SCHOLARS:** Beginning in 1999 CSUF undergraduate students engage in research, mentoring, and academic preparation to progress onto graduate school and complete their doctoral degrees.

**PROGRAM HIGHLIGHTS**
- 100% of Upward Bound seniors enrolled in college immediately following high school graduation.
- $320,000 in scholarships and aid was awarded to the 17 graduating Upward Bound participants.
- 90.8% of Talent Search seniors enrolled in college immediately following high school graduation.
- 94.5% of GEAR UP students indicate they will enroll in college.
- 100% of McNair participants completed research and scholarly activities.
- 80% of McNair graduates enrolled in graduate programs in fall.

**P-20 PARTNERSHIPS**

**SANTA ANA PARTNERSHIP:** A collaborative between Santa Ana Unified School District, Santa Ana College, Cal State Fullerton, and UC Irvine aimed at enhancing educational opportunities for students to progress onto higher education.

**ANAHEIM COLLABORATIVE FOR HIGHER EDUCATION:** A partnership with schools, school districts, the City of Anaheim, local colleges and universities, and community-based partners that engages students, parents, teachers, faculty, administrators, and community members to foster 21st Century learning opportunities and a college-going culture for all students.

**EXPERIENCE CAL STATE FULLERTON**
Educational Partnerships designs special college exposure programs for students and hosts community programs focused on helping students attend higher education.
