Upsilon Phi was first place in the event, setting a new record in the 100-meter dash (11.76), 200-meter dash (23.87), and then ran the anchor leg of the 4x100-meter relay team to finish.

On March 25, CSUF hosted the third annual Disability Support Services (DSS) Career Readiness workshop. The event, open to all CSUF students, featured a panel discussion on service usage and provided an opportunity for students to learn about and register for upcoming workshops. Attendees had the chance to ask questions and interact with representatives from DSS. The event concluded with an open forum where students could discuss their concerns and suggestions for future workshops.

On Saturday, March 14, the Fuller Outreach and Women’s Health Center hosted a Career Readiness workshop for freshmen and transfer students who have been admitted for the fall semester. The workshop featured a panel discussion on service usage and provided an opportunity for students to learn about and register for upcoming workshops. Attendees had the chance to ask questions and interact with representatives from the center. The event concluded with an open forum where students could discuss their concerns and suggestions for future workshops.

The Student Affairs Newsfeed is updated with new information on a regular basis. Students can stay informed about upcoming events, workshops, and other important information by checking the Newsfeed regularly. Contact Yvonne Garcia, Research and Communications Specialist, at yvogarcia@fullerton.edu or (657) 278-4290 for more information.
