**Orientation Team at Irvine Campus**

Summer Bridge 2015 honored to have been a part of this experience. Athletes, coaches and delegates – our entire team feels proud to have been a part of this experience.

Housing and Residence Life had the privilege of providing support for the athletes and their families during their time at Cal State Fullerton. Athletes enjoyed events in the Titan Student Union and city volunteers with great pride and enthusiasm.

Special Olympic World Games 2015

The summer programs were supported via funding by the United States Department of Education. The programs aimed to foster academic, personal, social, and emotional growth for students.

**Research Symposium**

One student group will be evaluated schools on quality. When you have a chance, please give us your feedback. We want to make sure that every space is welcoming and inclusive for all students.

**GEAR UP University 2015**

GEAR UP students had the exciting opportunity to attend the Special Olympics World Games 2015, which took place in Armenia from June 11-July 27. The Institute included a day of service and a day of play, with students from GEAR UP and McNair participating. Students also attended the 2015 College World Series. Congrats Titans! We also evaluated schools on quality. When you have a chance, please give us your feedback. We want to make sure that every space is welcoming and inclusive for all students.
