ASSESSABLE OUTCOME
Student-athletes will receive quality academic support programming.

OUTCOME SUPPORTS
- University: Goal 1
- Division: Goal 1
- Department: _________________
- Other: _________________

ASSESSMENT APPROACH
- Direct assessment
- Indirect assessment
- Both direct and indirect assessment

METHODS AND MEASURES
The following questions are included in the End of Season Survey Annually:
Please rate your experience based on the following statements:
• Quality of general education academic advising.
• Availability of general education academic advising.

CRITERIA OF SUCCESS
• 70% of student-athletes will rate the quality of academic support programming as the best or excellent.
• 70% of student-athletes will rate the availability of academic support programming as the best or excellent.

IMPROVEMENT ACTIONS
The assessment results provide strong support for the academic support services offered in Athletics Academic Services, as well over three-quarters of our student-athletes rate the Academic Support Counseling program as the best or excellent. We will continue to make concerted efforts, through professional development opportunities, utilization of campus tools and campus collaborations to better develop strategies for supporting our student-athletes. We will continue to utilize these measures on an annual basis.
