- 75% of Future Scholars will engage in a High Impact Practice.
- 90% of President Scholars will engage in a High Impact Practice.

METHODS AND MEASURES
A survey is sent each semester with the question that asks students what they are involved in. We will be looking at two different measurements for Future Scholars and President's Scholars.

DATA COLLECTION AND ANALYSIS
President's Scholars:
- Percentage of students that self-reported participation in a HIP: 98%
- Students Involved in Campus Leadership: 88%
- Students Involved in a Campus Student Organization: 80% "Campus Club in my college/department" are double counted in both categories
- Involved in their College or Department: 56%
- Students Work: 88% (89% if you count internships)
- On Campus: 48%
- Off Campus: 39% (40% if you count internships)
- Total Number of Service Hours completed with PSSA for Fall 2015 – Spring 2016: 2,674

IMPROVEMENT ACTIONS
Criteria was met for President's Scholars. No improvement action for HIP Involvement. Future Scholars will be assessed in the coming year for HIP Involvement.
Recommendation for improvement:
- Provide assessment tools at each event (iPads, laptops)
- Provide an incentive program for students to complete assessment
- Hold informal focus groups
