About the Division of Student Affairs and Strategic Enrollment Management

The purpose of the Division of Student Affairs and Strategic Enrollment Management is to transform the lives of our students academically, personally and professionally, equipping all with the knowledge and skills required for success at Cal State Fullerton and beyond degree completion. Thanks to our team of 600+ staff members, we are able to offer student-centered services and resources that provide rich learning opportunities for students, offering opportunities for community involvement, multicultural experiences, leadership training and career development.

A special thank you to our campus and community partners for your continued support!

@CSUFstudents • @FullertonTitans • @ASICSuf

Dear Community Partners,

The Division of Student Affairs and Strategic Enrollment Management at California State University, Fullerton stands at a moment of possibility, and I'm honored to help lead this next chapter with you. Together, we're shaping what's next for our students: expanding access, strengthening support, and ensuring every Titan has what they need to succeed.

At Cal State Fullerton, nearly 45,000 students are pursuing their dreams, many as the first in their families to attend college. Behind every number is a story of resilience, hope, and a community that refuses to let students navigate this journey alone. Our Division of Student Affairs and Strategic Enrollment Management continues this proud tradition with renewed focus, ensuring every Titan feels supported, seen, respected, valued, and inspired to reach their full potential – here on campus and beyond.

You may have noticed a small but meaningful change since last year: Our Division has reintroduced itself as the inaugural Division of Student Affairs and Strategic Enrollment Management. This evolution is intentional. It reflects a broader commitment to aligning every aspect of the student experience – from access and enrollment to graduation and beyond – with the same purpose and passion that have always defined Student Affairs. Our foundation remains strong; our focus and brand are simply being reimagined.

As you know, the College Access and Career Pathways team, now the Strategic Enrollment Management team, plays a vital role in that vision. From outreach and admissions to financial aid, and career development, this team helps build the pathways that turn ambition into achievement. Their work transforms potential into progress, and your partnership makes that possible.

The publication you're about to read highlights recent milestones and the shared impact we've made. More importantly, it's an invitation to deepen collaboration, spark new ideas, and continue building pathways that expand opportunity, advance social mobility, and strengthen the Titan Experience.

Thank you for your partnership, your trust, and your belief in what's possible when we invest in students – when Titans rise, communities rise with them.

With gratitude,

Khalilah Doss, Ph.D., CFRM.

The background features a dark blue field with abstract orange geometric shapes. At the top, there's a large orange trapezoid. A thin orange line runs diagonally from the top right towards the bottom right. Another orange line runs horizontally across the middle of the image, partially obscured by the diagonal line. On the left side, a vertical orange line is positioned to the left of the main text.

STRATEGIC ENROLLMENT MANAGEMENT

CENTER FOR EDUCATIONAL PARTNERSHIPS

The Center for Educational Partnerships (CEP) is dedicated to supporting all students, especially those from low-income, first-generation, and underrepresented backgrounds, to have access to post-secondary education despite systemic, economic, or social barriers. CEP focuses on serving high-need communities in the CSUF service area.

HIGHLIGHTS

TRANSFER PARTNERSHIPS: GOLDEN WEST MOU

Cal State Fullerton and Golden West College unite in purpose through a Memorandum of Understanding for guaranteed transfer admissions.

This is CSUF's first transfer guarantee agreement since 2011. Golden West College ranked in the top ten community colleges for transferring students to CSUF. The Memorandum of Understanding (MOU) aims to strengthen this partnership, increase transfer rates, and facilitate smooth transitions to CSUF.

INNOVATION SCHOLARS

This partnership between SAUSD, Santa Ana College, and CSUF established a \$1 million endowment to enhance degree completion, academic success, and engagement at CSUF.

CEP IMPACT: ANAHEIM UNION PLEDGE RETENTION & SUCCESS

The Anaheim Union Educational Pledge is a partnership between Cal State Fullerton, the Anaheim Union High School District, and other institutions to support K-12 students through higher education. It aims to prepare students for college and careers with integrated resources including academic planning, financial literacy, and access to college and career planning.

TRANSFER EXPERIENCE PROGRAM

The Transfer Experience Program connects prospective transfer students with Cal State Fullerton’s resources and student support services. The program is designed to ease the transition to a four-year institution and foster a sense of belonging within the Titan community.

PROGRAM OUTCOMES

At the core of CEP programming is a commitment to offer students enriching educational opportunities that enable them to realize their college, career, and life aspirations. CEP programs actively collaborate with community partners, schools, and families to facilitate transformative experiences and pathways. Our goal is to empower every student, ensuring that their circumstances do not determine their potential and that they have access to educational opportunities.

GEAR UP

71 % of Class of 2024 submitted financial aid application, compared to 65% of the California state submissions.

749 students from the Class of 2024 enrolled in higher education institutions, including **82** students at Cal State Fullerton.

64% of the “7-year cohort” received Counseling/Advising during their first year of post-secondary education.

Educational Talent Search

91% of ETS Scholars served are first-generation students or from low-income backgrounds.

98.9% of ETS seniors graduated with their high school diploma.

218 students visited **15** Colleges and Universities including UCs, CSUs, and private universities.

McNair Scholars Program

100 % of CSUF McNair Scholars have participated in faculty mentored research.

63% of graduating McNair Scholars were accepted into and entered graduate programs.

85% McNair Scholars in the first year of graduate school persisted to the second year of graduate school.

Upward Bound

Upward Bound held more than **331** individual advising sessions during the fall semester and **408** in the spring.

61 Upward Bound scholars completed a six-week Summer Enrichment Program, which included visits to **6** universities and over **150** hours of community service.

The Class of 2025 submitted more than **289** college applications and was awarded over **\$894,809** in financial aid for the Fall 2025 semester.

DEPARTMENT OF OUTREACH, RECRUITMENT & ORIENTATION

The CSUF Outreach and Recruitment (O&R) team educates and provides admissions assistance to prospective Titans and their families from pre-prospect through enrollment. Outreach and large recruitment events are offered in English and Spanish, and other methods include emails, workshops, virtual platforms, social media, marketing collateral, printed collateral and phone banking.

OUTREACH & RECRUITMENT SERVICES

Events included: Counselor Conferences, Transfer Days and College Nights, College Fairs, Lunch Visits, Transfer Appointments, Community Events, Signing Days, CSUF Highlights Presentations, CSU Overview Presentations, Cal State Apply Presentations, Next Steps Presentations

OFFICE OF ADMISSIONS

This report highlights admissions, enrollment and yield data for first-time freshmen and undergraduate transfer students enrolling in Fall 2025.

FALL 2025 TOTAL

Due to campus impactation, a local area is defined for admissions purposes. Local area First-Time First Year students are admitted at a lower Multi-Factor Admission Score (MFAS) than non-local applicants. The CSUF local area includes all high schools in Orange County, as well as the Chino, Corona/Norco, Walnut, Whittier, and Alvord school districts.

CSUF has defined the local admission area for transfer students as all community colleges in Orange County. Students who attend more than one institution are classified based on where the majority of their units were completed. Priority admission preference is given to local area transfers for all majors.

First-Time FRESHMEN

LOCAL AREA

Undergraduate TRANSFERS

LOCAL AREA

NON-LOCAL AREA

NON-LOCAL AREA

The California State University has discontinued the use of ACT/SAT examinations in determining admission eligibility. To determine first-year admission, Cal State Fullerton rank orders applicants by multiple factors, inclusive of:

ACADEMIC REQUIREMENTS

- A-G Overall GPA
- A-G English GPA
- A-G Math GPA
- A-G Additional courses over the A-G requirement

INSTITUTIONAL COMMITMENT

- Educational Partnership School

APPLICANT ATTRIBUTES

- First Generation
First in family to complete Bachelor's degree upon their graduation
- Free and Reduced School Lunch
Recipient of free or reduced lunch in school
- Youth Services
Foster Youth, Orphan, Ward of the Court

OFFICE OF FINANCIAL AID

The Office of Financial Aid plays a vital role in student success by making higher education affordable. We achieve this through intentional outreach, efficient financial aid management, and compliance with federal, state, and institutional regulations. By focusing on equity and strategic use of resources, we help ensure students receive the funding they need to support their education, improving both retention and graduation rates.

| | | | | |
|--|--|--|--|--|
| 77.6% Of CSUF Undergraduate students receive financial aid | \$58.7 Million more funding provided than in 23-24 | 15% Increase in funds compared to 23-24 Aid Year | 3,362 More Titans received financial aid than in 23-24 | 74,255 Financial Aid Applications received for 2024-2025: 7.1% Increase from 2023-2024 |
|--|--|--|--|--|

**\$62.5M more in grant and scholarship funds provided to CSUF students in 24-25 compared to 23-24**

560 students

- Collaborated with Transfer Adult Re-entry Parenting and Pregnant program to award **\$130,000 to 83 student parents** to assist with covering child-care expenses.
- Partnered with Housing and Residential Engagement to award **\$250,591 in grants to students** to cover on and off-campus living expenses.
- Worked with Center for Scholars to identify and award **\$268,965 to 47 Foster Youth students** to assist with housing expenses.
- **305 Income Appeals** processed to re-assess financial aid eligibility for families that experienced changes in family circumstances impacting their ability to cover educational expenses.
- **112 students** approved as “Independent” due to extenuating circumstances, allowing them to access financial aid funds based on the student’s financial profile.
- **\$2.4 million of State University Grant** awarded to 1,595 partial Cal Grant recipients to ensure equity in awarding by covering full tuition for eligible students.

FALL 2025 FINANCIAL AID STATS

Initial Fall 2025 financial aid disbursement processing released \$164.9 million to 27,158 Titans. This was a 16% increase in dollars and 11% increase in the number of students receiving funds during our initial aid disbursement compared to 2024-2025.

- \$152k awarded to 100 Fall 2025 Graduating seniors in tuition grant funds and saved from disenrollment
- Implemented new electronic forms platform that allows students to easily access and complete required documents, upload supporting information, and provide electronic signatures for themselves and their parents. This has resulted in a higher percentage of students submitting required documentation using our new platform.

THE SCHOLARSHIPS OFFICE

The Scholarships Office launched in November 2024 with the purpose to streamline and standardize scholarship processes on campus across all departments with a student centric approach by ensuring that scholarships are equitable, accessible, and timely across campus. By supporting students experiencing financial hardships with resources and support services to apply for scholarships, we can ensure they have the opportunity to utilize scholarships to help fund their education.

STEPPED CARE APPROACH:

- **Self-Help Resources:** Online resources like the YOU@Fullerton or Compass@Fullerton platform provide articles and tools for students to enhance their personal wellness and mental health.
- **Preventative Care:** CAPS promotes preventative measures and education to foster well-being and address mental health challenges early.
- **Ongoing Therapy:** For students requiring more intensive or long-term support, CAPS provides individual or group therapy.
- **Psychiatry Services:** Students in need of evaluation or medication management may be referred to CSUF's psychiatric providers for integrated mental health treatment.
- **Crisis Intervention:** CAPS is equipped to handle more severe mental health crises, including the support provided by the CAPS Mobile Crisis Team, which is part of a new holistic safety plan.

BASIC NEEDS SERVICES

Basic Needs Services (BNS) connects students who experience an unforeseen hardship that results in food, housing, and/or financial insecurity to available on or off-campus resources. Students meet with staff to discuss their circumstances and determine which resources and services may best meet their needs.

DATA FOR 2024-2025

PROGRAMS AND TRAININGS FOR STUDENTS, FACULTY, AND STAFF

- **Students:** BNS offers several financial literacy and CalFresh programs and a *Basic Needs Ambassador Seminar* for students who want to help peers who disclose basic needs insecurities.
- **Faculty and Staff:** BNS offers *Basic Needs Ambassador Trainings* and *Titan Bites Administrator Trainings*.
 - The *Basic Needs Ambassador Seminar and Training* provides information about basic needs insecurities, how to empathetically support students with care and appropriate boundaries, and information about campus resources.
 - The *Titan Bites Administrator Training* is for full-time faculty and staff to issue Titan Bites alerts, which sends push notifications to students about left-over food after a campus catered event.

2024-2025 HIGHLIGHTS:

1

Secured a \$500,000 Rapid Rehousing and Housing Security Program grant

By means of the Chancellor's Office to expand housing assistance through community based organization partnerships. BNS established partnerships with Orangewood Foundation and Pathways of Hope, two Orange County organizations, to provide additional housing support through bridge housing, housing stability funds, and access to other community resources and services.

2

Secured a \$49,500 Financial Wellness Clinic Expansion Grant

Through the Chancellor's Office to increase student-centered financial wellness initiatives through peer-based financial planning sessions to enhance students' financial literacy.

3

Included in the California Statewide CalFresh Enrollment Party Pilot program

As part of the Orange County model for other counties as Basic Needs Services has successfully hosted CalFresh enrollment events since 2018.

SERVICES PROVIDED:

- Food assistance through Titan Dining Hall donated meals, ASC Guest Cards, CalFresh enrollment, Titan Bites, and referrals to full-service pantries.
- Temporary Housing for up to three weeks in an on-campus apartment while students secure long-term, stable housing and includes Titan Dining Hall meals and a temporary parking permit.
- Financial assistance through Basic Needs Grants for students who experience an unforeseen financial hardship and seek assistance with unpaid basic needs expenses.

Students have access to:

5

full-sized hygiene products per month

6

gently worn professional attire per month

STUDENT LIFE AND LEADERSHIP

The purpose of the Student Life and Leadership department is to empower students through involvement, leadership, and co-curricular learning opportunities to enhance their Titan Experience at CSUF.

PROGRAMS AND TRAININGS

Student Life and Leadership (SLL) aims to provide students with leadership skills related to their involvement and will cultivate a Titan Experience that best meets their expectations. This is done through intentional programming within Student Organizations, Sports Clubs, Fraternity and Sorority Life, Leadership Programs, Community Service Opportunities, Academic Inter-Club Councils and Campus Activities.

FRATERNITY AND SORORITY LIFE

We have four councils that govern the fraternities and sororities at CSUF

- Raised \$72,550 for greek week. The funds went to replacing all outdoor activity items, classroom refurbishing, and new school supplies for the students that attend the Children's Center.
- We had 138 students attend FSL Honors where they celebrated accomplishments from the 2024-2025 school year. We celebrated students on the Dean's list, gave out awards, and updated the community on the impact they have on the CSUF community by continuing the work of Greek Week.

\$10,268

Was raised from Coin Wars, Panda Express Fundraiser, and CSUF's Giving Link. This donation was given to CSUF's Associated Students, Inc. (ASI) Children's Center. The funds assisted the center in building a state-of-the-art shade structure on their playground so that children can enjoy a shaded outdoor space during the hot summer months.

160

FSL students and FSL Alumni attended our Fraternity and Sorority Life Honors Banquet. This event recognizes the accomplishments our student leaders completed in Spring 2025 and Fall 2024. This year, we received 89 applications across our 12 award categories. From these 89 applications, we awarded 21 recipients.

LEADERSHIP WORKSHOPS

Workshops Hosted:

33
2024-25

- General Workshop Options: True Colors, Strategic Planning, Personal Behavior, Self-Awareness and Development, Group Dynamics
- CliftonStrengths Workshops: Name It, Claim It, and Aim It

3 PATHS OF TITAN LEADERSHIP EXPERIENCE

Leadership Exploration

- Exploratory path, encouraging students to find programs/ areas that they may want to get involved with on campus.

Leadership Development

- Series of workshops providing leadership development in key areas relevant to student leaders.

Leadership in Action

- Cohort-based series of leadership workshops centered on CliftonStrengths.

Path Completions
2024-25:

48

SPORTS CLUBS

579
STUDENTS

24
ACTIVE SPORTS CLUBS

Cost: Some sports clubs are free to participate in and others have membership dues to cover travel, league fees, referees, uniforms, and equipment.

Competition: Our teams compete against other universities such as CSULB, CPP, UCLA, USC, GCU, Univ of Arizona, UCSD, and CP SLO.

Skill Level: Some sports clubs are open to all skill levels, and others have tryouts to determine their roster.

Celebration: All sports club members are invited to a banquet to recognize them for their accomplishments and highlights from their year.

ACADEMIC INTER-CLUB COUNCILS

The Academic Inter-Club Councils (ICCs) function as dedicated funding bodies for registered student organizations across the University’s eight Colleges. Their mission is to advance the academic and professional development of both undergraduate and graduate students by providing financial support for activities such as research presentations, conference participation, and other academic related activities. The ICCs also allocate funding to student organizations in support of programming and event initiatives that not only enrich the academic experience, but also help to create a sense of community within their respective communities. Additionally, the ICCs host college weeks designed to showcase student clubs and highlight resources available within each College.

During the Fall 2024 - Spring 2025 academic year, the eight Academic ICCs collectively disbursed \$150,877.55 to student organizations for programming efforts and to individual students for professional development opportunities.

CARE SERVICES

The primary focus of Care Services is to support student well-being, promote academic success, and enrich the Titan experience. We provide non-clinical case management to students, consult with faculty and staff on student distress and well-being concerns, respond to referrals, and facilitate trainings and presentations. Staff place an emphasis on individualized attention to help students feel understood and empowered to make informed decisions about their Titan experience.

2024-2025 HIGHLIGHTS

10
PRESENTATIONS

200
INDIVIDUALS ATTENDED

**30 staff****100 faculty****400 students**

- Established Instagram presence with a modest number of followers (122), visualizations (5,651), and demonstrable engagement regarding our Engaging with Professors – Finals Edition posts.
- Revitalization of the Assistant Dean Program formally announced. This collaborative initiative between the Division of SAASEM and Academic Affairs provides expanded, student-centered support embedded within each academic college.

SERVICES PROVIDED

- Non-clinical (non-therapeutic) case management for students experiencing distress.
- Assistance with university navigation, information, and referrals related to support services or campus departments.
- Help students develop healthy action plans that restore well-being.
- Faculty notification should students miss class due to a current hospitalization.

PROGRAMS AND TRAININGS FOR STUDENTS, FACULTY, AND STAFF

**STUDENTS**

Care Services programs are designed to help students navigate the university, access resources, learn how to engage with professors, and support their peers.

**FACULTY AND STAFF**

Care Services offers trainings to help faculty and staff learn about student distress, intervention strategies, and available campus resources.

2024-2025 DATA

Students with Concern

Care Services received **242** total *Tell Us Your Issue* referrals.

Students who submit this form often have university related challenges for which they seek assistance, largely because they are unable to resolve the issue themselves or don't know who to ask or where to get help. Most concerns and inquiries fall under the following categories:

Responses to inquiries are sent primarily via email. Students are invited to call or schedule an appointment for further information and concerns.

Student in Distress

Care Services received **349** total *Student in Distress* referrals.

Students in distress struggle with academic, emotional, physical, or mental health difficulties that hinder their success. Faculty and staff referred students for the following reasons:

HOUSING AND RESIDENTIAL ENGAGEMENT

Housing and Residential Engagement provides three different types of housing options: Residence Halls, Suites, and Apartments. There are 2,200 bed spaces for first years to graduate students living on-campus, including international students. CSUF does not have a live-on requirement and instead provides housing on a first-come, first-serve basis and radius.

Highlighted Programs:

- Week of Welcome
- NRHH Tiny Titan Safe Treat (Open to Community)
- Drag Show (Collaboration with Losquadro Keller LGBTQ Resource Center)
- Salsa Fiesta Frenzy
- Resident Student Association Fall Festival
- Ujima Curl Fest
- Mosaic Festival (collaboration with Asian Pacific American Resource Center)
- TuskBall
- Ujima Smart Start

2,136
Residents

2,200
BED SPACES

3 different types of housing options: Residence Halls, Suites, and Apartments

SPECIFIC INFORMATION

- There are 2,200 bed spaces for first-years to graduate students living on-campus
- Residence Halls are primarily designed for first-year students
- Suites are primarily designed for continuing students
- Apartments are primarily designed for senior and graduate students
- All residents living on-campus are required to have a meal plan
- The Residence Halls close for Winter Break, while our Suites and Apartments stay operational during all break periods
- Our housing application process is separate from applying to CSU Fullerton and opens around April each year. It is recommended that students look at the CSUF Housing website to learn more about specific dates and information
- We recommend students to apply early and fully read through the Housing application before submitting
- CSUF does not have a live-on requirement and does not guarantee housing to students. Students are given a space in housing on a first-come, first-serve basis and radius.
- Housing fees are separate from tuition. Financial aid can cover Housing fees if there is remaining aid after tuition and fees are paid

HOUSING AND RESIDENTIAL ENGAGEMENT HIGHLIGHTS

- The **Asian, Pacific Islander and South Asian American (APISAA) Community** aims to create a space where students who identify as Asian, Pacific Islander, or South Asian can learn more about the wide and vast APISAA diaspora while celebrating cultural events.
- **Titan Unidos**, focuses on developing a community that embraces and celebrates diverse Latinx cultures through programming and community events. Students who live in this community will gain a deeper understanding of current issues and events affecting Latinx communities.
- **Titan Transfer Gateway**, focuses on creating a vibrant and engaging housing experience with programming and community events for transfer students. In collaboration with TAPP (Transfer, Adult, Parent and Pregnant Student Center), HRE will offer opportunities to maximize your time on campus to give an excellent Titan experience focused on academic success, personal growth and career development and exploration.

- **Ujima** is a collaboration between Housing and Residential Engagement and the African American Resource Center. Ujima, one of the seven Nguzo Saba Kwanzaa principles, means “to build and maintain our community together, and to make our brother's and sister's problems, our problems and to solve them together.” Ujima offers cultural, educational, and social events and workshops that explore the needs and experiences of the African Diaspora, connects residents with Black students, staff, and faculty, and empowers students to excel academically and socially at CSUF.
- **Rainbow House** is a collaboration between Housing and Residential Engagement and the Losquadro Keller LGBTQ Resource Center. As a gender-inclusive floor, Rainbow House aims to provide a supportive and safe space for students of diverse gender experiences and sexual/romantic orientations. People who identify as lesbian, gay, bisexual, transgender, queer, asexual/aromantic, and allies to the LGBTQIA+ community, are encouraged to apply for residency.
- **Athena House** is a welcoming and safe living environment that focuses on empowering, educating, and connecting residents from diverse backgrounds and cultures about issues of gender equality and empowerment. Athena House, in partnership with the Women’s Center, provides resources, support, engagement opportunities, and events.

HOUSING & RESIDENTIAL ENGAGEMENT ACCOMPLISHMENTS

Titan Dining Hall Renovations

- Reopened the newly renovated Titan Dining Hall, transforming the former Gastronome into a modern, inclusive space that reflects student feedback and evolving needs.
- Introduced improved accessibility and expanded food options, including Global Kitchen, Pure Eats, and a grab-and-go coffee station, ensuring the space serves a wide range of dietary preferences.
- Partnered with Chartwells and student employees to enhance the dining experience, creating a more student-centered environment that continues to grow through ongoing student input.

Housing Support Services:

- Partnered with Financial Aid and Tuffy's Basic Needs to provide students with a basic needs grant.
- Basic Needs Housing: Provided 20 students with Basic needs Housing up to three weeks.
- Desk and Mail Operations: Delivered daily front desk and mail services, ensuring reliable and efficient support for all residents.
- Student Assistance: Responded to a high volume of phone and email inquiries, providing timely guidance and solutions to student concerns.
- Community Outreach: Promoted and marketed new events to foster engagement and strengthen the residential community experience.
- Digital Improvements: Expanded social media presence to reach a wider audience and enhanced website content to provide clear, accessible housing information.
- Application Support: Facilitated housing application workshops to assist students in understanding available options and completing the process successfully.
- Off-Campus Resources: Hosted off-campus housing workshops to connect students with local rental opportunities and educate them on navigating the broader housing market.
- Financial Education: Financial Literacy sessions offered, including tips and resources within the housing application, to help students make informed decisions about budgeting and housing expenses.

Housing Expansion Accomplishments:

- Phase V affordable housing expansion construction scheduled to be completed in early August 2026
- Titan Dining Hall Dish Room Project
- New café and market construction at Phase V
- CCTV installation project in all the residence halls
- Corridor lighting updates for all residence halls

773

Academic Year

750+
Engagement programs
organized for students

Wellness Support:

- Opened the Cedar Wellness Room in Housing & Residential Engagement – a partnership with Counseling & Psychological Services (CAPS) – expanding student access to self-care and mental health support on the east side of campus.
- Features include massage chairs, a nap pod, private counseling rooms, and wellness activities—providing a supportive and calming environment for students.
- Successfully launched with an open house hosted by CAPS, drawing strong student participation, walk-in counseling appointments, and positive feedback from residents.
- Collaborated with CAPS to offer Mobile Crisis Services to residential students.
- All HRE student employees, student leaders, and staff completed Mental Health Ally training, Office of Civil Rights Training, and Question, Persuade, Refer (QPR) Suicide Prevention Training.
- Resident Advisors are required to do at least one wellness support program per RA per semester (at least 96 programs per year).

TITANHEALTH

TitanHEALTH provides an array of services to enhance student well-being: Clinical health services (TitanMED), health promotion services (TitanWELL), and confidential advocacy services (TitanTHRIVE).

625

Wellfest Participants

WELLFEST

WellFest is TitanHEALTH's premiere event. An open house format, students can tour their Center, meet with clinical staff, receive free health screenings and rapid HIV testing, and participate in various health education and healing programs. Held each semester, WellFest introduces students to their health center on campus.

TITANMED:

11,524

Total Health
Appointments

TitanMED provides health services and select specialty care to CSUF students. From first aid to minor procedures, students can access a wide range of services, including primary care, gender affirming care, sexual health services, contraception, STI testing, immunizations, TB testing, physical examinations, vision screening and eye exams, laboratory testing, x-rays, pharmacy (prescription and over-the-counter medications), physical rehabilitation services, and more.

800

Students
Vaccinated

In partnership with the School of Nursing, TitanMED provides free flu vaccines at the Annual Flu Clinic at two locations on campus (Housing and Residential Engagement and the Humanities Quad) in October. The 24/25 event provided free flu vaccines to over 800 students.

4,669

Total PRS
Appointments

Physical Recovery Services (PRS) provide support for students recovering from an injury, post-surgical rehabilitation, and rehabilitation for over-use injuries.

TITANWELL:

13,066

Student
Contacts

The TitanHEALTH Hut ("The Hut") pops up all over campus with a different topic each week. From sexual health to nutrition and joyful movement, students can stop by to engage with peer educators in fun games, winning useful prizes.

5,000+

Students
Reached

TitanWELL offers health education workshops and programs on safer substance use through Substance Intervention and Prevention (SIP) and Commit to Quit, sexual health and contraceptive use through Readily Accessible Protection (RAP), and nutrition and physical activity through Cooking Healthy and Optimal Movement Promotion (CHOMP). Combined, TitanWELL programming reached more than 5,000 students.

23

Podcast
Episodes

The podcast *Living Well with TitanWELL* features 23 episodes with a variety of topics, including: about flu vaccines, survivor journeys, exploring sexuality, counseling and recovery, fitness and physical activity, fentanyl and overdose prevention, gratitude and self care, stress management, HIV/AIDS, caffeine, love languages, gender affirming care, drink spiking prevention, rehabilitation and healing post injury and more!

TITANTHRIVE:

242

Advocacy
Appointments

TitanTHRIVE provides confidential advocacy and support services to students, faculty or staff who have experienced sexual violence, sexual harassment, dating or domestic violence, stalking, and sexual exploitation.

248

Contacts

THRIVE offers opportunity for individuals to come together in safe spaces to promote empowerment and healing through Healing Spaces and other outreach, totaling 248 contacts.

300

Attendees

In collaboration with Waymakers, TitanTHRIVE hosts the Clothesline Project where campus community members can experience an installation of t-shirts made by survivors of violence. Estimated attendance was over 300 students.

150

Students
Reached

Denim Day, aimed at decreasing myths about rape and dismantling rape culture, reached approximately 150 students.

SERVICES PROVIDED:

TitanWELL:

- Individual wellness education and coaching
- Group presentations
- Outreach events
- Social marketing health campaigns
- Peer-to-peer education

TitanMED:

- Primary care, health screenings, physicals (personal, sports, scuba)
- Sexual and reproductive health, immunizations and travel medicine
- Pharmacy services, on-site x-ray and laboratory, physical rehabilitation services, optometry, and first aid.

TitanTHRIVE:

- Emotional support and safety planning,
- Education on administrative or legal rights and reporting options
- Accompaniment to medical, legal, and other appointments on and off campus
- Individual advocacy counseling and support groups.

COMMUNITY PARTNERSHIPS:

- OC Health Care Agency, including Tobacco and Vape Free OC Coalition, Tobacco Cessation Working Group, OC Prescription Misuse Prevention Coalition, Centers for Healthy Neighborhoods, and the County Nutrition Action Partnership
- Seeds of Hope, a food ministry based out of Los Angeles OC CHIP Diabetes and Obesity Workgroup
- OC MECCA to provide Naloxone kits and fentanyl test strips to staff and faculty
- Access to Preventive Advocacy, Intervention, and Treatment for both HIV and STI testing, Planned Parenthood of Orange and San Bernardino Counties and AltaMed to educate students on sexual and reproductive health services
- Marshal B. Ketchum University to provide reduced cost optometry services
- Walgreens to provide free and reduced-cost COVID-19 vaccines and boosters to students and employees
- ASI, Inc. to host outreach events
- School of Nursing and the Kinesiology department to assist with flu and mobile health clinics
- Student Life and Leadership to host health education programs in Fraternity and Sorority Life
- Housing and Residential Engagement to host mobile health and flu clinics
- DIRC to host health education and healing programming
- Waymakers to partner on Clothesline Project and provide advocacy training

The background features a dark blue field with abstract orange geometric shapes. At the top, there is a large orange trapezoid. A thin orange line runs diagonally from the top right towards the bottom right. On the left side, a vertical orange line is positioned to the left of the main text.

ENGAGEMENT AND STUDENT SUCCESS

EDUCATIONAL OPPORTUNITY PROGRAM (EOP)

The CSUF Educational Opportunity Program (EOP) mission is to provide access to higher education for students from economically disadvantaged backgrounds who demonstrate academic potential but they lack the resources to succeed without EOP support. Through services such as holistic counseling, financial aid counseling, admission assistance, tutoring, and career guidance, EOP works to remove economic barriers and foster the academic, professional, and personal development of historically underrepresented students at Cal State Fullerton. EOP aims to provide access, support, development, and pathway to success in higher education.

ADMISSIONS REPORT FOR FALL 2025

EOP students are selected based on their need and potential to succeed. The evaluation process considers the students' grit, background, need, and potential.

SUMMER BRIDGE HIGHLIGHTS 2024

- EOP had a 100% retention rate for their 2024 EOP Summer Bridge Program. All 29 students have continued their education at Cal State Fullerton.
- In the Fall 2024 semester, Summer Bridge Students took 2 Learning Community courses: Reading 201, Chicano/a Studies 101. They also participated in 7 Learning Communities Workshops.
- Participated in the Disney Imagination Campus: Teamwork the Disney Way. During this workshop students learned about the importance of teamwork, respect, trust, accountability and being critical thinkers.
- Participated in the end of the program celebration and had the opportunity to celebrate their achievements this summer and network with campus partners.

FALL 2024 KICK OFF EVENT

The Fall 2024 EOP Kick-Off event aligned with CSUF Strategic Plan Goals 1 & 2 by enhancing student access, learning, and success, while fostering engagement and well-being. This event welcomed current and incoming EOP students into the Titan community, provided program updates, and encouraged participation. Through interactive activities and networking, students connected with peers, mentors, and faculty, strengthening support networks. The event celebrated EOP achievements and contributions, which set a positive tone for the academic year.

SPRING 2025 KICK OFF EVENT

The Kick-Off event welcomed our newly admitted Spring 2025 EOP Transfers students. During this event, EOP students learned about EOP services, expectations, how to be successful in college, CSUF campus resources, and heard from current EOP student leaders and build community to enhance their CSUF Titan Experience.

ATHLETICS ACADEMIC SERVICES

We empower our student-athletes to excel academically, develop strong character, and thrive as future leaders. Through a student-centered approach, we foster a collaborative environment that celebrates teamwork and service-excellence. Additionally, we work to educate our student-athletes on NCAA and Institutional compliance eligibility; provide essential life skills; foster a spirit of adaptability to navigate academic challenges and provide resources to achieve timely graduation. Our vision is to cultivate well-rounded student-athletes who lead successful and impactful lives.

MISSION

Our mission is to create an inclusive environment that reaches beyond the classroom, allowing our students to establish strong ties to the campus and surrounding communities. The Wakeman Seminar Room in our center is a popular study and hang-out spot for TAPP students and is one space where community is often being fostered. We provide many events throughout the semester that offer students the opportunity to engage in community building.

VISION

Our vision is to continuously evolve to meet the unique needs of non-traditional students by providing resources and recognition as they obtain their education. We hope to create an inclusive environment that reaches beyond the classroom, allowing our students to establish strong ties to the campus and surrounding communities.

“What I’ve enjoyed most about the program is the connections I’ve made through my mentor but also @ the TAPP center as a whole. It’s made me find a safe space on campus that I can share with others socially & academically. The program has also paired me exceptionally with my mentor & I’m just super grateful to have been part of this opportunity.” - 2024-2025 TAPP Titan

HIGHLIGHTS

83%
of student-veterans who utilized CSUF VRC programs and services indicated that they felt a sense of belonging at CSUF as a result of the center's support.

PROGRAMS AND SERVICES

Veteran Ambassador Program (VAP)

Assists with veterans and military family members transition into the university by providing outreach, advisement, and assistance to prospective student veterans and military connected students at community colleges, military installations, and local nonprofits.

Women and Family Program (W&F)

The CSUF Veteran Resource Center's Women and Family Program is dedicated to connecting and empowering women veterans and military-connected students. Through intentional workshops and events that foster community and belonging on campus, providing opportunities for networking, growth, and shared experiences. These efforts ensure women veterans and dependents feel supported and connected in their academic and personal journeys.

Advising and Certification Team (ACT)

Administers comprehensive support for student veterans and military-connected students. Their services include academic advising tailored to individual needs, assistance with CalVet Fee Waiver intake and processing, guidance on VA education benefits, advocacy to help students navigate challenges, and holistic academic support to promote student success for students to achieve personal and educational goals.

Peer Advisors for Veterans Education (PAVE)

A peer support program that connects incoming student veterans on college campuses with student veterans who are trained as peer advisors who can help them navigate college life, address challenges they may face, refer them to appropriate resources on and off campus, and provide ongoing support.

CSUF GUARDIAN SCHOLARS

Cal State Fullerton's Guardian Scholars Program offers comprehensive support to current and former foster youth, enhancing their university experience. The program helps develop educational and interpersonal skills, empowering students to become self-sufficient leaders, role models, and professionals in their chosen fields. In addition to providing comprehensive support, the Guardian Scholars Program also offers scholarships and essential needs funds to help cover necessities for students such as year-round housing, transportation, and other costs associated with being a college student.

2024-2025 HIGHLIGHTS

Thanks to generous support from donors, alumni, and public resources, the Guardian Scholars Program has been able to provide financial assistance to undergraduate and graduate students to continue their pursuit of a college degree.

Stephanie Beatriz,

Acclaimed actress and voice performer, recognized for her starring role in Disney's "Encanto" and the hit comedy "Brooklyn Nine-Nine." (Pictured)

Giancarlo Esposito

Actor and producer, celebrated for his remarkable performances in "Breaking Bad," "The Boys," and "Do the Right Thing."

Daveed Diggs

Actor, rapper, and producer, best known for his Tony Award-winning performance in Broadway's "Hamilton."

STUDENT GOVERNMENT

Student government plays a vital role in shared governance and empowering students to actively participate in university decision-making. ASI's Board of Directors represents the diverse interests of the student body, overseeing the corporation's operations and ensuring that student voices are integral to policy development.

Through ASI participation, students develop leadership skills and gain practical governance experience, preparing them for future civic engagement. Some of our past ASI student leaders have gone on to do great things:

- **Mansi Kalra**
Research Project Manager at Center for Effective Global Action
- **Katherine Gwaltney**
Senior Account Executive at Google
- **DJ Giacchino Jr**
Intern for the California Department of Public Health & MPH Graduate Student at SDSU
- **Megan Hannoun**
Intern for the House of Representatives (CA-27)
- **Suzette Morales**
United States Coast Guard Officer Trainee
- **Aida Aryan**
Project Implementation Lead at Project UNITY & MPH Graduate Student at George Washington University

ASI FOOD PANTRY

Nearly **23%** of undergraduate students and **12%** of graduate students face food insecurity, affecting over 4 million students nationwide, according to the 2019-20 National Postsecondary Student Aid Study.

To address this urgent need, the ASI Food Pantry has served CSUF students since August 2021, offering weekly deliveries of fresh produce, dairy, canned goods, and frozen foods to ensure access to nutritious meals.

TITAN YOUTH SUMMER CAMPS

The Titan Youth Summer Camp provides a safe and enriching environment for children aged 4-12, offering a wide range of recreational and sports-related activities that promote physical health, teamwork, and personal growth. Hosted by our world-class Student Recreation Center, Titan Youth Summer Camp offers basketball, soccer, swimming, arts and crafts, flag football, and more. Titan Youth Summer Camp is open to the children of students, faculty, staff, and community members.

ASI SCHOLARSHIPS

2024-2025

The ASI Scholarships program offers financial awards to continuing students who have completed at least one semester, regardless of major. The program rewards academic excellence, leadership, and meaningful involvement in both campus and community life. Awards include both monetary scholarships (up to \$1,000) and Titan Shops book/materials credits, distributed across several named scholarships.

STUDENT RECREATION CENTER

The Student Recreation Center (SRC) is a 95,000-square-foot facility offering a wide range of fitness, wellness, and recreation amenities. The SRC features a gymnasium, weight and cardio rooms, an indoor track, a rock-climbing wall, and an outdoor swimming pool, among other spaces. The SRC serves as a hub for community, health, and personal growth.
