Getting Started

The Honors and Scholars Program Online Application is now open

The 2021 Scholarship application opens January 4, 2021

Welcome to CSUF Scholarships On-Line. The application process for the Honors and Scholars programs is underway.

Please return in January to fill out the application for the scholarships we offer on campus.

For more information about certain scholarships please visit our website at http://www.fullerton.edu/financialaid/general/scholarships.php. This site lists all the scholarships we offer on campus, who qualifies, how to apply and the due dates for each scholarship.

(Note: Students enrolled through **Open University** are not **eligible to apply**).

Questions

Have questions or need help completing the on-line scholarship application? Please email your questions to scholarshiphelp@fullerton.edu.

If you have questions about a certain scholarship it is best to contact your department or college.

Committee Members

Welcome to CSUF Scholarships On-Line. We are pleased you are willing to serve as a member of a CSUF Scholarship Committee. Your time and expertise are critical to a successful scholarship process and we extend our appreciation to you for your work with the selection process.

3. On the Scholarship Portal review the active applications to get started.

Please note the following:

- **DEADLINES -** The Honors & Scholars Program Application is a joint application so it is important that you note that there may be different application deadlines by program, but we can only list one on the portal.
- **PROGRAM CHOICES -** Make sure to answer yes to the programs you are interested in. This will activate specific additional questions or essays that you will need to complete.
- **APPLICATION SUBMISSION -** We can only review your application once you have completed the whole application, entered your essay, added recommenders, and clicked submit.
- **RECOMMENDERS –** Your recommenders only get notified when you click submit. You may want to consider submitting your application before the deadline so your recommender has time to complete their part.
- **TECH SUPPORT -** If you need technical support please contact scholarshiphelp@fullerton.edu
