

**University Policy Statement
California State University, Fullerton**

UPS 230.100

UNIVERSITY EMPLOYEES AND STUDENT ELECTIONS

Members of the administration, faculty, or staff shall not use time in any class, laboratory, team meetings, practice, rehearsal, instructional or instructionally-related activity to encourage students to vote or not to vote for any particular candidate in a student election. Administration, faculty, and staff members shall not release students from attendance at any of the above University activities for the purpose of voting. State supplies, equipment, or time shall not be used to prepare material for use in a student election.
