

**University Policy Statement  
California State University, Fullerton**

**UPS 270.000**

**TEACHING BY ACADEMIC  
ADMINISTRATORS**

All qualified academic administrators shall be permitted and encouraged to participate in the teaching program in their academic discipline as their energies and time will permit. An academic administrator is a manager with academic program and or personnel responsibilities. Usually that individual possesses an advanced degree and s/he may hold retreat rights in an academic department.
