Voting procedures and names of contacts to be called for help or questions will also be available on the electronic ballot.

c. A list of eligible voters, grouped by department, within constituency, will be available electronically prior to the election.

d. Constituents may vote electronically from either on or off-campus.

e. Every effort shall be made to ensure secrecy in balloting.

f. The Election Committee will set the duration of the balloting which will run for four days, commencing from 7:00 a.m. on the first day to 4:00 p.m. on the final voting day. m. In mail ballots, two envelopes provided by the Election Committee shall be used. The unmarked inner envelope within which the ballot is sealed shall not be opened until the vote tally begins. Signatures on the outer envelopes shall be checked to ensure that no one not in the electorate has voted, and that no one has voted more than once before the ballots are removed from the inner envelopes.

   b. Beginning at the top of the list, votes will be summed, until a majority of the votes cast is reached. All persons with the same number of votes shall be included when votes are added.
   
   c. Persons not receiving enough votes to be included in the majority described above shall be deleted from the list of the nominees.
   
   d. The Senate shall vote again, with each Senator casting a vote for no more than one person.
e. The process shall be re-iterated until a winner is declared, who shall have received a majority of all of the votes cast, excluding abstentions.
