I. CALL TO ORDER  
Chair Bedell called the meeting to order at 11:30 AM.  

II. URGENT BUSINESS  
None  

III. ANNOUNCEMENTS  
3.1 (Dabirian) Gave an update regarding the Blackboard problems that occurred on Sunday, 2-12-12, when 2 disks failed. The Blackboard System lost all data. There has been 85% recovery of data up through Saturday night, 2-10-12; however, data inputted from Sunday through Monday has been lost. IT employees have worked around the clock to help alleviate faculty angst. A.S. Chair could offer support for the overburdened underfunded system with a thank you to faculty for their patience through a difficult time. Infrastructure on Titanium is in place.  
3.2 (Bedell) Thanked Senators Walker and Walicki for volunteering to replace the A.S. Chair at the Academic Senate Reads event on 2-17-12 in the Academic Senate Chambers, when Valerie Orleans and Bob Voeks will facilitate discussion on the book State of Wonder by Ann Patchett. There is a conflict of ASCSU Chair’s meeting at the Chancellor’s Office.  
3.3 WASC Writing Team Member Trotter has asked if A.S. calendar dates can be changed – making March 1st a definite meeting and March 8th “if needed”. The WASC Visiting Team will be on our campus R, 3-8-12. Senator Guerin will convey to Dr. Trotter that an announcement will be made to the campus that dates for March 1 and March 8 will be switched.  
3.4 (Pasternack) There is a bill before the Legislature which will fund the development of 50 open source textbooks for the most popular lower division courses. The CSU has entered into an agreement with Cengage to give a small discount on e-textbooks which I have forwarded to the Senate. A major concern that faculty should have in this regard is if the use of e-textbooks will be optional vs mandatory.  

IV. APPROVAL OF MINUTES  
4.1 EC Minutes (Draft) 2-7-12 - approved  
4.2 EC Minutes (Draft) 2-14-12 - approved

VII. LIAISON REPORTS

ASI Board of Directors [Dabirian] T, 2-21-12 1:15 – 3:30 PM, TSU No Report

Academic Standards Committee [Walk] F, 2-17-12 1:00-2:00 PM
M. Filowitz summarized nine UPS documents submitted to the president's office that remain unsigned. The major issue of discussion was the dual requirement of the EWP and upper division writing requirement at CSUF. E. Himmelheber said that her experience at an R1 institution was that students had a writing requirement within each major in the form of a course, with a rule requiring a minimum B grade. If the B grade was not achieved, students were required to pass an exit exam in order to graduate. Concerns about the quality of the EWP as a measure of writing proficiency was expressed by a number of committee members. It was also reported that some students prepare for the EWP by obtaining samples of each of the ten themes used as prompts, essentially cheating on the exam. The consensus of the group was that the EWP does not appear to add value to the degree and that alternatives should be explored. Finally, M. Filowitz encouraged existing members to indicate high interest in the committee in the new AS call for interest.

General Education Committee [Fidalgo] T, 2/3/2012 2:00-4:00 PM MH-141
We discussed assessment of areas A (with Sheryl Fontaine in charge of writing and Bridget of critical thinking) and B (which Koch will start). The committee has been asked to start planning the CSUF GE program Performance Review, its possible format and, parameters, and measurements; it is an overarching review of GE, not of specific courses or departmental offers. A subcommittee will look into other documents such as Department PR. The plan for the Fall semester is to start the recertification and the assessment of areas C and D.

General Education Committee [Fidalgo] T, 2/17/2012 2:00-4:00 PM MH-141
Review of WASC GE handout and discussion of descriptors by which we are going to be rated. They--WASC--found that we were including too many objectives in each category. A conversation and review of the GE Program Performance Review draft written by the subcommittee--Renne, David, and Craig--ensued. There were too many parts that were merely history and background: Double counting of GE units, Second Language Graduation Requirement, etc., and it was decided that the document would be placed in the Dropbox so that everybody could list the items with which we can collaborate. VIET 214 passed the first reading, and HUM 350T was approved.

Graduation Education Committee [Walker] F, 2-17-12, 2:00-4:00, KHS 221 Meeting Cancelled

International Education Committee [Randall] W, 2-15-12, 11:00-12:00, MH-141
Mikyong Kim-Goh reported on a meeting of SOCCIS (Southern California Consortium for International Studies) that she attended at Loyola Marymount. The focus of the meeting was on how to sustain levels of federal funding for programs that support global education. The goal of the meeting was to strategize and promote advocacy for increasing funding, and specifically the Fulbright-Hays program.

The committee reviewed recommendations for and removed minor revisions to the already revised UPS 320.104 as requested by Senate Executive Committee. The changes include several spelling corrections, inclusion of additional definition of “host unit,” and a statement of how program evaluation data will be used.

The committee will explore strategies for increasing the number of CSUF students who choose to study abroad. Kathryn Morrissey, Study Abroad Advisor, does extensive orientation of target groups such as students in residence halls, veteran students, McNair, honors, business honors, and President's scholars, to stimulate interest. Articulation agreements (regarding transfer credits) and departmental advocacy are important factors in promoting study abroad. Dr. Juan Carlos Gallego, Faculty Coordinator of International Programs, will be working with departments to consider possible programs.

Planning, Resource, & Budget Committee [Walicki] F, 2-17-12, 12:30-2:30 PM, MH-141. Report was given verbally at Executive Committee meeting.
