I. CALL TO ORDER
Chair Walker called the meeting to order at 11:30 AM. Agenda items were discussed out-of-order until the majority of EC members were in attendance.

II. URGENT BUSINESS
2.1. A.S. Vision for CSUF Library [LOFT / Librarian Search/ Pfeiffer Partners – Vision Statement / Removal of Vinyl Recordings]
Chair Walker summarized his meeting with the Provost and clarified to EC members the process the Provost intends to follow in making changes to Pollock Library stemming from work of the LOFT Committee. The Provost met with librarians and asked for their input and recommendations regarding contents of the Pfeiffer Report and the LOFT Initiative. No one entity has authority to make sweeping changes that affect the entire campus community (students, faculty, staff, & administrators). Any wide-ranging decisions, such as library de-selections, will be vetted through the Council of Deans and Executive Committee. The Provost will remain vigilant and cognizant that communication will be a high priority in order to quell rumors and misconceptions of what may or may not be happening with library operations.
Chair Walker encouraged EC members to support and remind faculty peers that due process will be part of changes in library procedures.

Senator Dabirian spoke on behalf of the CSUF LOFT (Task Force), which has plans to publish in draft form a process with vision and focus to modify and liberate library space for future use in line with CSUF mission and goals as well as the strategic plan. Faculty will be included in any and all stages of library changes/updates, which includes deselection processes. Senator Dabirian stated that Provost Cruz plans to announce in the near future a one-year interim librarian.

Chair Walker read the LOFT Report, which states the Library is a University resource and intellectual center of the campus. There needs to be a vision before a plan is assessed. Literacy skills are developed in libraries. He suggested the Academic Senate look at both UPS documents relating to the library:

</tr>

<tbody>
<tr>
<td>UPS 508.000</td>
<td>Policy on Return or Replacement of Library Materials</td>
<td>8-7-07</td>
</tr>
</tbody>
</table>

There was further discussion on the diminishing number of CSUF tenured librarians as well as MPP librarians, and the need to integrate and engage these vital faculty members into campus life and activities. Data are needed for planning the future work of our Library Committee. Chair Walker stated, in order to be proactive, he will reach out to the other 22 CSU A.S. chairs to receive input on their respective libraries:
- functions / space
- engagement within Academic Affairs
- committee work
- LOFT Initiative reports

Other EC members’ help may be needed to collate the data once received from other campus A.S. chairs.

III. ANNOUNCEMENTS
No announcements.
IV. TIME CERTAIN

11:45 AM 12:00 Noon

Topic: ECS Patio Improvement

Discussants: Danny C. Kim, Vice President – Administration & Finance/CFO
Dean Unnikrishnan, College of Engineering & Computer Science

Chair Walker welcomed the above-named guests who presented a brief context for the ECS building visual mock-up shown to EC members. This meeting with EC members is intended to be inclusive in the campus beautification process, which has begun over the summer months. One such “beautification effort” is to remove an overgrown tree in the courtyard of the ECS building. There have been conversations with the chair of Campus Facilities & Beautification Committee (CF&B) and with student leadership regarding elimination of this non California Oak tree in order to make visible the “Engineering and Computer Science” sign on the West face of the ECS building and to better utilize ECS programmable space for various college functions. There will be cosmetic upgrades for signage and landscaping in the ECS area – preparing for upcoming accreditation review.

VP Kim gave an overview of various beautification projects, primarily landscaping, to improve appearance across campus, some already completed, others begun, and others in the queue. There is ongoing collaboration with ASI for changes in “Titan Square” near University Hall (Cashier’s area). Painting of buildings and railings and installation of a display board with orange and blue banners is planned. Colorful banners will be positioned strategically around periphery of campus to help promote Titan Pride. The campus and outside community should notice the improved appearance of CSUF.

V. APPROVAL OF MINUTES

IX. UNFINISHED BUSINESS

9.1 Setting Goals and Priorities for Academic Senate 2014-15

- Sean wills send to EXEC Com members the Excel file to mark comments on the list of UPS documents for review. In the future the list, along with a memo asking for review, mark-ups and comments, will also be sent to Council of Deans, as well as MPPs so we can have a roadmap for fall semester.

9.2 Action Item from Statements-of-Opinion (ASD 14-95) [All University Election Results 2014]

Chair Walker stated the #1 S-O-O re grades should be addressed through UCC and input from ASI. EC needs to formulate a plan/process to know what and how to charge a committee with meaningful review and streamlining of DPCs.

BELOW INFORMATION IS TAKEN FROM 5-20-14 EC APPROVED MINUTES:

1) All General Education course requirements should require a C or better to be fulfilled.

Background:
Currently, some General Education (GE) category requirements can be fulfilled with a grade of D or higher. In Fall 2012, 3396 grades between D and C- (inclusive) were earned in these courses.

#1 EC members discussed the strong responses and clear message for Question 1 – general education. Expectation and learning outcomes are related to grades. EC will need to work with leadership of ASI to determine how to proceed.

#2 Department Personnel Standards.

We need to propose to FAC and FPC new models for the approval of department personnel standards. These could include several important items 1) delineation of the university responsibilities for creating/implementing/maintaining department personnel policies; 2) periodic review of these DP documents by the college and department; and 3) review of DP documents by faculty who are closer to the disciplines of the department writing the standards. Department policies must take less than one year to be approved and should be electronic format. Dabirian noted that most of our policies are not structured for administrative responsibility. A new setup will mean a large workload and must be thought through strategically and thoughtfully.

X. NEW BUSINESS

10.1 ASD 14-126 COE – Proposed Name Change for Title Degree: MS in Education with a Concentration in Literacy and Reading

Chair Walker explained that ASD 14-126 was sent to the A.S. at the end of spring semester when there was no time to accomplish due process. This non-controversial item can be expedited over the summer in order to move forward quickly when fall semester begins.

10.2 ASD 14-127 COE – Proposed Program Name Change for Department of Reading – to Department of Literacy and Reading Education

This item (along with ASD 14-126) was received at the end of spring semester. This non-controversial item can be expedited over the summer in order to move forward quickly when fall semester begins.

Items below will be moved to next EC agenda 7-8-14.
