

Formation of an Ad Hoc Committee on Sustainability

Motion from the AS Executive Committee:

Whereas it is becomingly increasingly clear that environmental challenges will define this century and future generations;¹ and

Whereas CSUF has a responsibility to educate our students about sustainability; and

Whereas CSUF has a responsibility to lead by example in reducing greenhouse gas emissions; therefore be it

Resolved that an Ad hoc Committee on Sustainability be formed in May 2007 to explore ways to support sustainability principles on campus and in the curriculum; and

Resolved that the committee will be composed of six faculty members, one staff member, one student, and one campus representative from the university sustainability study group; and

Resolved that the committee be convened near the beginning of the fall semester and that the committee will report to the Academic Senate by December 1, 2007.
