

Resolution in Continued Support for Campus Dreamers

WHEREAS The United States Justice Department has decided that the Deferred Action for Childhood Arrivals (DACA) executive action will be rescinded; and

WHEREAS This decision places over 800,000 productive members of the nation at risk of, and under constant fear of, deportation, and

WHEREAS The DACA program is widely acknowledged as a strategic benefit to the state and nation, and

WHEREAS The decision to rescind DACA creates people living in a fear of their own government, will not change immigration patterns, and turns enforcement actions on the people who have demonstrated that they contribute to our society; be it therefore

RESOLVED: That the Academic Senate re-affirms its belief in the value of DACA expressed in ASD 16-158; and be it further

RESOLVED: That the Academic Senate commends Chancellor White's recognition that CSU enrollment and tuition policies are not based on DACA status and thus the action to rescind will not impact these practices, fully endorse currently pending Assembly Bill 21 (2017) and further offer our ongoing support for the mandates and mission of the California Dream Act (AB 540/2000); and be it further

RESOLVED: That the University refuse to cooperate with immigration actions regarding deportations or raids; and be it further

RESOLVED: That the Academic Senate recommend that the University refuse U.S. Immigration and Customs Enforcement (ICE) physical access to all land owned or controlled by the CSU for the purposes pursuing enforcement actions; and be it further

RESOLVED: That the Academic Senate encourage faculty to increase program, department, and college-level efforts to symbolically and materially support undocumented students and staff within their respective units; and be it further
