

University Policy Statement

Rescinded November 20, 2019

UPS 270.000

**TEACHING BY ACADEMIC
ADMINISTRATORS**

All qualified academic administrators shall be permitted and encouraged to participate in the teaching program in their academic discipline as their energies and time will permit. An academic administrator is a manager with academic program and or personnel responsibilities. Usually that individual possesses an advanced degree and s/he may hold retreat rights in an academic department.
