

Have You Tried Acupuncture?

Acupuncture is among the oldest healing practices in the world. A form of Traditional Chinese medicine, acupuncture aims to balance the body's positive energy by restoring and maintaining health through the stimulation of specific points on the body.

Why Acupuncture?

- . Pain relief
- . Headaches
- . Other health issues

\$5.00 per visit

Acupuncture is available at the Student Health Services, by appointment:

Fridays: 9:00am—1:00pm

Please call (657) 278-2800

Acupuncture services are available through a collaboration between the Student Health and Counseling Center and the Southern California University of Health Sciences. For more information, please visit the SHCC website at www.fullerton.edu/shcc.
