CLUB LIABILITY INSURANCE PROGRAM
Club Liability Insurance Program (CLIP)

• The Club Liability Insurance Program (CLIP) came into existence July 1, 2018
• $1 million general liability coverage each loss
• $5 million aggregate
• Property damage, medical payments and first aid coverage included
• Clubs must be officially recognized by CSUF
• Coverage for activities on and off campus
Why do we need CLIP?

• **Student organizations in the CSU are independent from the campus.**

• Students acting as students are not CSUF employees or volunteers; they are not covered by CSUF’s general liability insurance

• Because clubs are independent, advisors do not serve in a supervisory or leadership role. They act as mentors and interpreters of CSU and CSUF policy
Coverage Exclusions

• Automobile Liability
• Activities of all fraternal organizations, even academic organizations
• Hazing
• Injuries resulting from athletic activities
• Intentional discrimination
• Sexual harassment, abuse and molestation are **not** excluded
Risk Mitigation

Does the event/activity include

• Food?
• Physical Activity?
• Travel?
• Minors?
• Alcohol?
• Handling money?
Resources

If you have questions, need to file a claim, etc.
