Definitions

- Number of members will be determined by the number of paid and registered participants on official Club Sports rosters.

- Committees- Club members serving on committees shall be expected to attend committee meetings regularly and consistently. Serving on a committee is a serious commitment and you are expected to attend the meetings, not someone else from your team.

- Fundraising- The dollar amount your team will be credited as having raised is determined by the combined value of all money raised by or donated to your team as well as the value of any assets or equipment donated to your team in the current fiscal year. This will include dues paid by club members up to but not in excess of $500.
  
  - Dues
  - May only count up to $500 of the total fundraising amount
  - Donations
  - Monetary
  - In-kind (value determined by CSUFPF paperwork)
  - Sales
  - Events
  - Merchandise
  - Tickets
  - Food
  - Receiving Credit:
    - Must use ASI Account
    - Submit copy of ASI Receipt
    - Events: Submit an Income & Expense Report

- A philanthropic event shall be defined as an event in which your club donates their time, services, or materials which your club receives no direct benefit in return.

- All philanthropic events require a pre-event planning meeting with the Club Sports Advisors at least 2 weeks in advance.

- Fan support for another club shall be defined as attending a competitive event for an unrelated club on the council with at least 35% members of your club.

- Arrangements must be made in advance with the team your club is supporting.

- Team attending event must have Trip Leader approve & sign Club Sports Fan Support Form and submit on following business day.

- An administrative penalty is any fine or other penalty issued by the council advisors for missing or late paperwork, unregistered participants, missing or late event request forms, etc.

- Absences as applied to the tier system are any unexcused absence from a council meeting or scheduled council event.
