Chemistry Placement Exam (CPE)

- Students enrolling in Chemistry 120A: General Chemistry are REQUIRED to take the Chemistry Placement Examination (CPE).
- Students enrolling in Chemistry 200: Chemistry for Nursing and Allied Health Professions are EXPECTED to take the Chemistry Placement Examination (CPE).

CPE Registration & Admission Ticket Information

STEP 1: Complete the CPE Registration Form and return to the University Testing Center, located in University Hall - room 143, before the test registration deadline. The CPE Registration Form may be mailed to CA State Univ., Fullerton; University Testing Center; P.O. Box 6830; Fullerton, CA 92834-6830. The CPE Registration Form must be received (not postmarked) by the University Testing Center by the registration deadline date.

STEP 2: Your CPE Admission Ticket will be emailed to you in approximately 2 days. Please call the University Testing Center if you do not receive your emailed CPE Admission Ticket.

STEP 3: Bring your CPE Admission Ticket with you to the exam. The Admission Ticket will list the reporting time, reporting location, and what to bring to the exam. No one will be admitted without picture identification.

If you have problems or questions, contact the University Testing Center at (657) 278-2288.

IMPORTANT NOTE: Pre-registration for the Chemistry Placement Exam (CPE) is required. There is no fee to take the exam. Be sure to bring your CPE Admission Ticket with you to the test.
