We are PAVE.

Peer Advising for Veteran Education is a peer support program that connects incoming student veterans on college campuses with students veterans who are trained peer advisors to help them navigate college life. Our goal is to help our student veterans address challenges they may face, refer them to appropriate resources on-and-off campus, and provide ongoing support.

Welcome Back Titans: Meet The Programs

PAVE Clothing Drive

PAVE is hosting a "Spring Cleaning With PAVE" Clothing Drive out of the Veterans Resource Center to donate clothes to local veteran owned organizations or clothing shelters as a way to give back to the community. The event begins February 7th through May 6th. Donation bins will be located at the front desk in the VRC office and VRC lounge. Accepted donation items include shirts, pants, shoes, ties, new socks, jackets, and backpacks.

Women for Women

The vision of the Women for Women group at California State Fullerton is to foster a presence and community of women who come from different walks of life, all pursuing education and success. This program is designed to provide resources, as well as emotional and educational support to all women, regardless of military affiliation or where they are in their personal or professional life.

The Cal State Fullerton VetForward program is a resource for military connected students and recent graduates in exploring, pursuing, and achieving future career aspirations.
The Veteran Ambassador Program (VAP) is a program that recognizes the value of the peer-to-peer relationship in engaging military connected & student Veteran prospects that are interested in attending CSUF. The goal of VAP is to directly assist potential student veterans through one-on-one transfer/application counseling, CSU Apply workshops, and outreach. For questions or interest in learning more about the Veteran Ambassador Program please contact:

We encourage all of our military-connected students to take advantage of all the great programs and services that the VRC offers. We are here to support our students with comprehensive programs focused on helping transition into higher education, building a community, and post-graduate job search.

Why Attend Our Events?
Titan Veteran Family is the community we've build within the Veterans Resource Center. This semester, TVF is implementing a "chip" incentive to encourage students to attend all the great events hosted by all our programs to receive graduation awards.

For each VRC program sponsored event or workshop you attend you will receive one TVF chip seen above. Both our veteran and military-connected students are eligible for receiving chips in order to gain the rewards. Students will "cash in" their chips during grad fest in March during the academic year you are graduating / walking:

**Veterans:**
- 5 chips = veteran stole
- 6 chips = regalia bundle and veteran stole
- 7 chips = graduation/diploma frame, regalia bundle, and veteran stole
- 8+ chips = entries in an opportunity drawing for additional rewards

**Family Members of Military/Veterans:**
- 5 chips = TVF stole
- 6+ chips = 1 entry per chip for a chance to have the VRC pay for your graduation regalia bundle.
The VRC is happy to announce the launch of our new podcast! More Than a Vet is a talk show between or staff and students sharing experiences and life goals. Join us as we discuss education, careers, food, music, and–of course–the military.
