IMPORTANT NOTICES TO ALL SUMMER STUDENTS!

EARLY START PROGRAM
Entering freshmen who are not proficient in math or “at risk” in English as determined by ELM and EPT scores, will need to start the remediation process before their first term. By 2014, all new freshmen students who have not demonstrated college-readiness in mathematics and/or English will need to begin remediation in either or both before the start of their first term.

The goals of the Early Start Program are to:
• Prepare students better in math and English, before the fall semester of freshman year;
• Improve students’ chances of successful and timely completion of a college degree.

For 2013, all new freshman students will be required to participate in the Early Start Program if their ELM score is less than 50 and/or their EPT score is less than 138. Newly admitted freshman students who are required to complete Early Start will be notified of the requirement and options for completing the program as part of campus communications to newly admitted students.

For additional information about the Early Start Program go to: www.fullerton.edu/admissions/prospectivestudent/earlystartcourses.asp

ENGLISH AND MATH REMEDIATION
Each California State University campus is responsible for ensuring that entering students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Based on the test results, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. By taking the appropriate remedial classes in the first semester, students will be better prepared to meet the challenges of their later course requirements. Remedial classes include ESM 30A, ESM 40, ESM 45, ESE 99 and ENGL 100/100W (summer only). Transfer students can qualify for an exemption by completing and transferring to CSUF a college course that satisfies the General Education - Breadth or Intersegmental General Education Transfer Curriculum (IGETC) quantitative reasoning requirement, provided such course was completed with a grade of “C” (2.0) or better.

SPECIAL OPPORTUNITY FOR ENGLISH REMEDIATION
A special opportunity for summer school students only! The English Department will be offering a limited number of sections of ENGL 100/100W—Analytical College Writing. This 4-unit course (3 unit “lecture” and 1 unit workshop) is intended for students who score between 138 and 146 on the English Placement Test and would like to use the summer to complete their lower-division writing requirement while earning units toward graduation.

Not only will students who pass this summer course be done with their lower division writing, they will have earned three units toward graduation (units from English 99 are not applied to graduation). Those students who wait until the fall, will be required to take English 99 AND English 101 in order to complete the same requirement.

NOTE: ENGL 100/100W is only offered by University Extended Education this summer. (The class schedule and registration are NOT available in Titan Online).

To view the schedule and enroll, visit http://engl100.fullerton.edu.

UPDATE YOUR CONTACT INFORMATION
You are required to keep your mailing address, e-mail address, and phone number current with the University to ensure that you receive all University communications. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. Address changes can be made in your Student Center through Titan Online. For additional information about parking permits, call (657) 278-3082.

E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages will be sent. For additional information about your e-mail account, contact the IT Helpdesk at (657) 278-7777. You will need your campus wide identification (CWID) and personal identification (PIN) numbers for Titan Online access. If you lose or misplace your password, you must present picture identification at the IT Helpdesk. Many campus offices have begun utilizing e-mail as the primary communication mode of communication to students. Be sure to check your e-mail on a regular basis.

The university encourages all students to seek advisement each semester, well in advance of registration. Advisers in each major department and in the Academic Advisement Center (UH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT
Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in UH-123B. Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT
Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned.

An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentation for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designees may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of this catalog.

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 2009 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ADMISSION TO THE TEACHER EDUCATION CREDENTIAL PROGRAM (Continuing Students)
Admissions and processing fee of $50 is required of all students applying to the Education Credential Programs. Overview meetings are mandatory for admission to teacher credential programs. Schedules are available on the web: http://ed.fullerton.edu/adtcp or by calling (657) 278-3412. The Center for Careers in Teaching (H-113) assists undergraduate students who are planning to become teachers. For further information go to: http://ed.fullerton.edu/adtcp.

Deadlines for admission: Spring semester during the last week of the previous September; fall semester during the last week of the previous February. Before completing the application for teacher education, you must apply to the university unless you are currently enrolled. Be sure to check for the latest information on university application periods by going to www.fullerton.edu/admissions selecting the “Prospective Students” tab to the Admissions and Records menu.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from the Student Health and Counseling Center. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Appeals, Financial Aid, the Women's Center/Adult Reentry, Dean of Students, the Writing Center, the Academic Advisement Center, and the Office of Admissions and Records.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on page 2 of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

BICYCLES AND SKATEBOARDS ON CAMPUS
The University's policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President's Directive #16.

A. Bicycles may be used on campus under the following conditions.
1. Bicyclists must comply with all applicable laws and regulations, exercise due care and use reasonable caution, and not limit access to University facilities by those with disabilities. Pedestrians have the right-of-way at all times.
2. Bicycles may not be ridden over shrubbery, on grass, or in posted dismount areas, campus buildings or parking structures. However, bicycles may be ridden in posted dismount areas either for instructional purposes or whenever parking fee requirements are not enforced.
3. The Director of EH & IS will create guidelines for storing or parking a bicycle inside campus buildings. Bicycles may not be parked or stored inside a classroom/laboratory or in a manner that impedes use of a campus walkway or an entrance/exit of a building, office or other area.

B. Skateboards and motorized skateboards may not be used on campus, including parking structures.

C. Motorized bicycles and scooters may only be operated on campus roadways.

D. Bicycles, scooters, motorized bicycles and motorized scooters secured to objects or structures other than approved racks or storage containers may be removed by the University.

E. Bicycles, motorized bicycles, motorized scooters and motorized skateboards may not be stored inside any building, including the residence halls, without written authorization.

F. Non-motor vehicles forms of transportation may be used on campus or any property controlled by the University to accommodate a disability with written authorization.

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CVID). The CVID will be used in conjunction with the student’s password to access the TITAN Online Student Center. All university records and accounts for the student will be identified with the CVID. Each student needs to become familiar with his or her CVID number to be used in conducting university business and making academic inquiries.

CLASS ATTENDANCE
While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the session. It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within twenty-four hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class should attend all class meetings the first week (five class days). If
a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLASS LISTING
The Summer Session 2013 class listing (schedule of classes) is available online in your Titan Online Student Center or at www.fullerton.edu/schedule. An explanation of the codes used in the online class listing is on page 30 of this registration guide.

COURSE OUTLINES
Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters:

1) Course material to be covered (e.g., reading list);
2) The grading policy for the course;
3) Class assignments (e.g., term papers-length, due date, projects); and
4) Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5) Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair. Faculty shall not be bound to adhere to their course outlines on a strict day-to-day basis, but should follow their outlines as much as reasonably possible.

After distribution of course outlines to students, major assignment or course requirement changes (e.g., additional term papers or examinations) must be announced to students with a reasonable timetable for completion.

DEGREE CANDIDATES
Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. The form is available on your Student Center under “self service.” Complete information and instructions about the entire graduation check process for undergraduates is available on the university website under “Graduation.”

Candidates for January 2014 master’s degrees must pay the graduation and diploma fee and file a request for a graduation check on or before Tuesday, September 9, 2013. The form to accomplish this is available on your student center under “self service.”

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-112) for graduate students.

FINAL EXAMINATIONS
During the summer sessions, the final is held on the last day of class or as noted on the course syllabus.

GRADE OPTIONS
The University uses a combination of traditional and nontraditional grading options as follows:

- **Traditional**

- **Nontraditional**
  - CR - C (2.0) grade or better in undergraduate courses;
  - B (3.0) or better in graduate courses

- **NC - No credit**

Students may indicate the grading option for each course when they register. They have until the deadline published on page 2 of this registration guide to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designated by the faculty to be graded Ltr Grd Only or CR/NC only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. No course with a grade of CR may be used for the master’s degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

ADVISORY CAUTION
Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade basis and not credit/no credit.

INCOMPLETE AUTHORIZED (I)
The symbol “I” (Incomplete authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade based on the work completed by the deadline. Therefore, “I” grades that were earned for the spring 2012 semester must be completed by May 31, 2013. “I” grades assigned at the end of the fall 2012 semester must be completed by January 2, 2014.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The **requirements shall not include retaking the course.** The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.
The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

INDEPENDENT STUDY
If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the final evaluation of the independent study.

You may not take more than 6 units of independent study at the undergraduate level in a given semester or apply more than 9 units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than 6 units of independent study toward completion of a graduate degree.

Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

INTERNSHIPS & SERVICE-LEARNING
Location: LH-206

Additionally, experiential learning helps prepare students for their entry into the job market. Included in the many benefits of Internship and Service-Learning experiences are opportunities to:

- Gain work and service experience
- Network and develop industry contacts
- Solidify academic and career goals
- Earn money while learning
- Explore career options within a major course of study
- Earn academic credit

Students should refer to the CICE website for further details on enrollment in Internship and Service-Learning classes and the opportunities available to them.

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1074 “Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students AND Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students” was established in compliance with the California Equity in Higher Education Act, (Education Code Sections 66250 et seq.), Title IX of the Higher Education Amendments of 1972, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Age Discrimination Act of 1975, among other applicable state and federal laws.

It is CSU policy that no student shall, on the basis of any protected status, be unlawfully excluded from participation in or be denied the benefits of, any CSU program or activity. Nor shall a student be otherwise subjected to unlawful discrimination, harassment, or retaliation for exercising any rights under this executive order.

Executive Order 1074 is the appropriate systemwide procedure for all complaints of sex discrimination, harassment or violence made by CSU students (including applicants for admission) against the CSU, a CSU employee, a CSU auxiliary employee, a CSU student or CSU vendor. Employees and students who violate CSU EO 1074 may be subject to discipline. If discipline of a CSU employee is appropriate under this policy, it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies, and provisions of California Education Code Sections 89535 et seq. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations.

OPEN UNIVERSITY ENROLLMENT
Open enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. Registration is on a space-available basis at the start of the semester. Information is available from University Extended Education (UEE) in CP-100 or at www.ou.fullerton.edu. Open University students are required to contact UEE Academic Advisers Lyn Richie-Walker, lrichie-walker@fullerton.edu (UH-123, 657-278-7645) or Margaret Luzzi, mluzzi@fullerton.edu (CP-100, 657-278-7644) prior to registering.

A maximum of 24 credits earned through open university may count toward a bachelor’s degree. Credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor’s degree. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY
Beginning with the Fall 2009 semester there were changes to the undergraduate repetition of course policy. For further details, please refer to the following web page www.fullerton.edu/admissions (at top of page click the ‘Resource’ tab, click ‘Frequently Asked Questions’ link, then click on Undergraduate Repeat Policy)

Grade Forgiveness (16-unit limit): An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness’. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus, and should request application of this policy after the course has been repeated. This is accomplished by submitting the appropriate form (available in Admissions and Records), immediately following the term in which the course has been completed, so that the student’s grade point average can be revised.

Grades Averaged (12-unit limit): An undergraduate may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student’s GPA.

Maximum repeat limit (28 units): The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.
Regulation against repeat of courses with ‘C’ grade or better: Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as “may be repeated for credit”.

Regulation against repeat of a course with an ‘I’ currently on record: A student may not re-enroll in a course for which he or she has received an “I” until the “I” has either been assigned a final grade, or been converted to an “IC”.

SEXUAL HARASSMENT POLICY
It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Higher Education Amendments of 1972, and the California Education Code 89535. CSU Executive Order 927, “Systemwide Policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation” as well as Executive Order 1074, “Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students AND Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students” also prohibit sexual harassment within the system. The university will not tolerate sexual harassment and will take action to eliminate such behavior. Information concerning campus sexual harassment policies and procedures can be obtained from Susan Leavy, Coordinator, Diversity and Equity, CSUF, College Park, Suite 770, Fullerton, CA 92834-6806, (657) 278-4702.

SEXUAL ASSAULT PREVENTION & SURVIVOR SERVICES
CSUF Sexual Assault Prevention and Survivor Services provide educational programs to students, faculty and staff with emphasis on bystander intervention, alcohol's role and effective communication techniques. Aftercare for assaulted students includes non-forensic medical care, referral to community sexual assault program, professional counseling services, academic advocacy and housing intervention as needed. Additional information can be found at http://www.fullerton.edu/WomenCenter/violence/assault.html or contact: The WoMen’s Center, University Hall 205, (657) 278-3028.

SMOKING POLICY
I. Policy Statement
To mitigate well-established health risks associated with exposure to secondhand smoke, the California State University Board of Trustees delegated authority to campus presidents to adopt rules regulating smoking on campuses. At California State University, Fullerton, smoking is prohibited in any: • Building owned, leased or rented by the University or one of its auxiliaries, whether located on or off campus. • Outdoor area (for example a patio, balcony, courtyard, or atrium) within 20 feet of any building. Smoking is permitted beyond 20 feet in outdoor areas unless otherwise posted. • Vehicle owned, leased or rented by the University or one of the University’s auxiliaries.

II. Existing State Guidance & Development Considerations
The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; State of California Executive Order W-42-93; State Government Code Section 19994.31; State Labor Code Section 6404.5; and CSU Executive Order 599.

III. Scope
This Policy applies to all University faculty, staff, students, and visitors, as well as the areas noted in Section I above. Smoking is permitted in University-sponsored Theatre and Dance productions only if smoking is listed in a script as a required part of a performance. Smoking is permitted in student-authored or student-sponsored scenes, showcases or workshops only if produced as part of the University’s Department of Theatre and Dance Season, Entertainment productions and other presentations in the Titan Student Union are not exempt from this Policy; however, the Executive Director of the Associated Students may grant an exemption when smoking is listed in the script as a required part of a performance.

V. Definitions
“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe, or other apparatus used to smoke tobacco or any other organic or non-organic material.

VI. Accountability
Faculty, staff and students violating this Policy are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures. Violations should be reported to the appropriate administrator. Environmental Health and Safety at 278-7233 or Risk Management at 278-7346.

This Policy is effective as of April 3, 2003, and supersedes all previous University smoking policies. Contacts for questions regarding this Policy are the Director of Environmental Health and Safety and the Director of University Risk Management.

SOCIAL SECURITY NUMBER
Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. For more information on CWID see page 7. A student's TitanCard number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier's check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY
The stop-out policy allows undergraduate students and post-baccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to CSU, Fullerton.
UNIT LIMITS
A maximum of 16 units may be taken during the entire summer term.

VETERANS
New, returning, and transfer student veterans should consult the Veterans Certification Office to complete necessary documents to receive VA benefits. Call (657) 278-2373 for hours a representative is available.

Guest Students: Veterans who are not working toward a Cal State Fullerton degree and would like to take courses as a guest student should contact the Veterans Certification Officer at their parent institution for instructions on becoming a guest student. Once a parent institution letter has been obtained, Veterans should contact University Extended Education (657) 278-3313 for certification.

Please note that the Cal Vet Fee Waiver cannot be applied towards Summer Session Registration fees.

VOLUNTARY STUDENT HEALTH INSURANCE
Students wishing to obtain voluntary student health insurance may do so at the Associated Students Office. Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy (657) 278-2401.

WITHDRAWAL POLICY
Beginning with the Fall 2009 semester there were changes to the undergraduate withdrawal policy. For further details, please refer to the following web page www.fullerton.edu/admissions (at top of page click the ‘Resource’ tab, click ‘Frequently Asked Questions’ link, then click on ‘Undergraduate Withdrawal Policy’)

WITHDRAWAL UNAUTHORIZED (WU)
Students who discontinue course participation without formally filing a withdrawal notice with the university shall be considered to have withdrawn unofficially from the course. Such action by the student will result in a final grade of “WU” (Withdrawal Unauthorized) or NC*, depending on the grade option elected. For purposes of grade point average computation, the “WU” symbol is equivalent to an F. Students will be held responsible and billed for fees not yet paid.

Students may petition for retroactive withdrawal from individual courses or from an entire semester, provided that they can document both the serious and compelling reasons or circumstances that required the withdrawal and the date of such withdrawal. Students are expected to submit retroactive withdrawal petitions by the fourth week of the semester that immediately follows the term being petitioned. All petitions for retroactive withdrawal are subject to review and can either be granted or denied. If a retroactive withdrawal petition is granted, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. Forms are available at the Admissions & Records Service Center, LH-114.

WITHHOLDING OF SERVICES FOR NONPAYMENT OF DEBTS
The Board of Trustees has authorized the withholding of certain services for nonpayment of debts owed the University. Debts include unpaid obligations for loans, services, use of facilities or equipment, materials, food or merchandise. Services which may be withheld include permission to register in a subsequent term, use of facilities, and other services or materials for which a fee is authorized to be charged (i.e. transcripts, parking, lab fees, etc.).
FAMILY EDUCATIONAL RIGHTS
AND PRIVACY ACT

President's Directive No. 17
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

Student Privacy and Education Records

I. DIRECTIVE
The Family Educational Rights and Privacy Act ("FERPA") and California State University Executive Order 796 ("EO 796") afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedent.

II. AUTHORITY

III. SCOPE
This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or, if accepted, do not attend the University.

IV. DEFINITIONS
A. Directory Information. A student's name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended, and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor, or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee, or assisting another school official in performing their professional responsibility.

V. IMPLEMENTATION
A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A.), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student's Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only “Verification” information. This sub-category of Directory information consists of a student's name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805, or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

GENERAL EDUCATION REQUIREMENTS

General Education courses are required at CSUF as a necessary and integral part of your University education. They are the foundation on which each and every major is built, and have been specifically designed to provide exposure to current thinking and scholarship. Students’ success in the global socio-economic climate will be determined by the ability to research, analyze and apply universally accepted principles in areas beyond those learned in their majors. These courses serve as the stepping stones to a lifetime of growth; personally, professionally and academically.

UNIT REQUIREMENTS

51 total units including:

- 9 units upper division taken as a junior or senior
- 9 units in residence at CSUF
- 3 units in cultural diversity (courses marked with an asterisk*)
- Limited to either 9 units or 3 courses from a single department, excluding courses in GE Area A, Core Competencies
- Each course counts in only one GE Area, except those meeting Area Z, Cultural Diversity

ACADEMIC STANDARDS

- Letter grade required
- “C” (2.0) or better in Areas A1, A2, A3, and B4, thus, a grade of C- (1.7) is not sufficient to fulfill these requirements (Note: A grade of “C minus” will not satisfy GE requirements in these four Areas) A grade of “D” (1.0) or better is required to satisfy ALL other GE requirements (a grade of “D minus” (.7) is not a passing grade.
- CR/NC allowed if it is the only grade option available

COURSES IN YOUR MAJOR

- Courses offered by the department of the student’s major may NOT be used to fulfill the requirements of Areas B, C, D, E or Z with the exception of areas offering choices from only one department.
- Courses that are cross-listed meet general education requirements for all majors except those in the home department of the cross-listed course. The home department is the one under which the course description appears in the catalog and is indicated with an underline in the GE list in the registration guide. For example, African American Studies is the home department for African American 311/Human Services 311; therefore, it cannot be used by African American Studies majors to meet GE requirements.
- Upper division courses offered by the department of the student’s major may not be used for GE credit.
- Upper division GE courses are not applicable for graduate degree credit, regardless of the student’s major or the department offering the course.

FEES AND DEBTS OWED TO THE INSTITUTION
Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact the Student Financial Services. Student Financial Services, or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus, and advise the person of its conclusions.

REFUND OF FEES
Dropping classes may entitle you to a fee refund. Please go to http://sfs.fullerton.edu/refunds/default.asp to view the refund policies.

CAMPUS WIDE IDENTIFICATION NUMBER (CWID) ON CHECKS
All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual’s approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier’s check, money order, or cash (refer to “Fee Payment Instructions” on page 22 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS
A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier’s check or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of registration and tuition fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier’s check, money order, or cash (refer to page 22, “Fee Payment Instructions” for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS
Payments for previous semesters must be paid and all holds cleared prior to registration. (Refer to “Fee Payment Instructions” on page 22 for more information.)

SUMMER PROGRAMS
Limited funds are available for summer enrollment. If you were enrolled through the main campus of CSUF during the fall 2012 and/or spring 2013 semester(s) and you did not receive the maximum annual Federal Pell Grant or Federal Loans, you may be eligible to receive the unused portion for your summer costs. If you have not received the maximum Pell payment for fall 2012 and spring 2013, and enroll in at least 6 units for summer, you may be eligible for an additional Pell payment. A limited amount of grant funds (Summer Session Grant) is available for students whose Expected Family Contribution (EFC) for 2012-13 was 0. See the section below under “Enrollment Requirements” for more details. Eligibility is contingent on your meeting eligibility criteria for each aid program.

QUALIFICATIONS
If you are a continuing CSUF student, you must have a valid Fee Application for Federal Student Aid (FAFSA) on file at CSUF. Your summer eligibility will be based on your 2012-13 FAFSA data. Federal loans will be available only if you have remaining annual loan eligibility after spring 2013.

APPLICATION PROCESS
There is no separate application that must be filed as summer aid eligibility is based on the student’s valid 2012-13 FAFSA data and any remaining eligibility for Pell Grant or loan funds. Students who are determined eligible for the Summer Session Grant will be notified of their eligibility via campus email. Students who have remaining loan eligibility (they have not borrowed their annual loan limit for 2012-13) should submit the Summer Loan Request Form located at the CSUF Financial Aid Office website. Complete procedures for summer aid are available beginning in March 2013 at the CSUF Financial Aid website www.fullerton.edu/financialaid.

ENROLLMENT REQUIREMENTS
Minimum enrollment to receive a loan is six (6) units. Minimum enrollment to receive a Federal Pell Grant is determined by your Expected Family Contribution (EFC). Summer Session Grant recipients must be enrolled in a minimum of six units. Summer Session Grant funds will be awarded first to upper division students who meet the eligibility criteria. Due to the limited pool of resources, it is unlikely that current Freshmen and Sophomores will be able to be considered for the Summer Session Grant.

REGISTRATION AND TUITION FEES
At the completion of your TITAN registration, if your financial aid award is not yet determined or if it is insufficient to pay your full fees, you will be instructed of the amount due and the due date. If your financial aid award amount is sufficient to pay your fees in full, your fees will be paid automatically when your financial aid is disbursed.

FINANCIAL AID DISBURSEMENT
In most cases, payment will be issued once your first summer session course has begun. If you have any funds remaining after your summer registration and tuition fees have been credited, a balance check or direct deposit will be issued to you.
WITHDRAWALS
If you receive a Federal Pell Grant for summer 2013 and you drop one or more classes before the end of the session, you may be required to repay part or all of the Federal Pell Grant funds you received. If you receive Federal Pell Grant or Federal Loan for summer 2013 and you withdraw from all courses before the 60% point of the term, we will calculate the portion of financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received and the University may be required to refund a portion of your fees to one or more federal aid programs.

SATISFACTORY ACADEMIC PROGRESS
To maintain eligibility for financial aid, you must demonstrate satisfactory academic progress by completing the courses in which you enroll and earning a passing grade in each course. Refer to the Satisfactory Academic Progress policy available on the web at www.fullerton.edu/financialaid.

Graduate Program in Applied Mathematics

The Cal State Fullerton Department of Mathematics offers a graduate program in applied mathematics leading to the Master of Arts degree. This program was developed in consultation with mathematicians and scientists in the local industrial community. It is designed for individuals who are seeking or currently hold positions which involve mathematical or quantitative applications.

The coursework emphasizes:
- Modern applied mathematics
- Problem solving
- Modeling
- Computation

All required courses are offered during the evening and can be completed in two academic years, including a summer in between. There are a minimal number of prerequisites and Summer Session is an ideal time to take these courses. However, the graduate program must be started in the fall semester with a workload of 6 units per semester. Financial aid, teaching assistantship, and out-of-state tuition/fee waiver are available.

To receive more information, visit http://math.fullerton.edu/appliedoption or call the Mathematics Department at (657) 278-3631.

Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Open University students require a paper add permit.

CLOSED CLASSES

When classes meet the established enrollment limit, they are closed. You may waitlist a course if the option is available (see Waitlist, page 34). Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Open University students require a paper add permit.

DROPPING CLASSES

If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class.

DEADLINES

Deadlines for adding/dropping classes and refund of fees are published on the front cover of this registration guide.

PAYMENT DEADLINES FOR CSUF STUDENTS

IMPORTANT NOTE: Students are subject to disenrollment if payment is not received by the payment due date.

WAITLIST

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list.

HOW WAITLISTING WORKS
• Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
• The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
• You can waitlist for a maximum of 4 units, provided that each course’s waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
• You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
• Students cannot waitlist the same lecture section or the same lab section more than once.

• If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
• Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
• If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
• If you are moved from the waitlist into the class, you will receive an email notification.
• If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
• You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation of added class(es).
• If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record which will lower your grade point average.
• There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
• The online waitlisting feature will cease to function on May 28, 2013. The waitlist will be retained for informational purposes for the instructor.
• Faculty will control access to “closed” classes starting with the first day of class via normal permit procedures.

WAITLIST RESTRICTIONS
Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless either of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for either of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class.

Check your schedule regularly in your Titan Online Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.
