

# THE CAREER CENTER

*The Career Center at California State University, Fullerton* is a dedicated hub for career planning and professional development for Titans. Our mission is to engage, empower, and encourage students through expert guidance, valuable resources, and employer opportunities. We offer one-on-one career and major exploration appointments, resume and cover letter reviews, mock interviews, LinkedIn profile consultations, graduate school preparation, and much more via in-person, virtual, and walk-in services.

This calendar offers a brief overview of our events, resources, and services for the fall 2026 semester. For more detailed information, visit our website at **[fullerton.edu/career](https://fullerton.edu/career)** or stop by our office in Langsdorf Hall Room 208.

We look forward to supporting you throughout the fall semester (and beyond)!

*Career Center events are open and available to all who are interested in participating, regardless of race, sex, color, ethnicity, national origin, or other protected status. Need accessibility accommodations at a career fair? Fill out the form at [bit.ly/cc-req](https://bit.ly/cc-req).*

## Do you know where to find the Career Center?

# Workshop LEARNING OUTCOMES

Workshops hosted by the Career Center are purposeful. They provide more than just networking opportunities or Q&A sessions. Each workshop focuses on specific competency alignments and learning outcomes that will help you become Career Ready. Explore the learning outcomes below and use the icons to find workshops that will help you master these essential skills.

## CAREER & SELF-DEVELOPMENT

Proactively develop oneself and one's career through continual personal and professional learning, awareness of one's strengths and weaknesses, navigation of career opportunities, and networking to build relationships within and without one's organization.

## COMMUNICATION

Clearly and effectively exchange information, ideas, facts, and perspectives with persons inside and outside of an organization.

## CRITICAL THINKING

Identify and respond to needs based upon an understanding of situational context and logical analysis of relevant information.

## LEADERSHIP

Recognize and capitalize on personal and team strengths to achieve organizational goals.

## EQUITY & INCLUSION

Demonstrate the awareness, attitude, knowledge and skills required to equitably engage and include people from different local and global cultures. Engage in anti-racist practices that actively challenge the systems, structures, and policies of racism and inequity.

## PROFESSIONALISM

Knowing work environments differ greatly, understand and demonstrate effective work habits and act in the interest of the larger community and workplace.

## TEAMWORK

Build and maintain collaborative relationships to work effectively toward common goals, while appreciating diverse viewpoints and shared responsibilities.

## TECHNOLOGY

Understand and leverage technologies ethically to enhance efficiencies, complete tasks, and accomplish goals.
