ATHLETICS ACADEMIC SERVICES

TO: Members of the Faculty
FROM: Athletics Academic Services
RE: Missed Class Time Contract

The student-athlete sharing this letter is a member of the 2021-22 Men's Golf Team and will occasionally miss class as a result of competition and travel to away games. Given this, student-athletes will personally deliver a current competition schedule to each of their professors. It is hoped that this practice will encourage increased faculty-student interaction in our continuing effort to improve the academic achievement of student-athletes. The Department of Athletics, coaching staff, and team members place great emphasis on student-athlete academic success.

In accordance with the provisions of UPS 300.019, whereby the university permits student absences from class for "participation in officially approved university activities", I request your understanding and support in permitting this student to make up any missed work. The players are keenly aware that academics are their first priority. Further, they recognize their responsibility for speaking with faculty in the first week of the semester to make arrangements, in advance, to make-up any academic work, submit assignments on time, or complete tests or quizzes that may missed as a result of competition or travel.

The players are capable and motivated students who are very concerned about their academic success. In support of this, during the fifth or sixth week of the semester, Athletics Academic Services will request an *Academic Progress Report*, for the student-athletes in your class to obtain your feedback and suggestions regarding their academic success.

I would appreciate any consideration to the student-athlete for classes missed due to travel and competition representing California State University, Fullerton. If you would like to update us on a student-athlete's performance in your class or you have any questions, please feel free to contact us at 3057. Thank you for your time and consideration. In addition, I encourage you to come out and support CSUF Athletics. GO TITANS!!!

Sincerely,

Athletics Academic Services
