As an ambulatory health care organization that has undergone the AAAHC Accreditation Survey, your organization has demonstrated its substantial compliance with AAAHC Standards. The AAAHC Accreditation Committee recommends your organization for accreditation.

Next Steps

- Members of your organization should take time to thoroughly review your Survey Report.
 - Any standard rated less than “FC” (Fully Compliant) must be corrected promptly. Subsequent surveys by AAAHC will seek evidence that deficiencies from this survey were addressed without delay.
 - The Summary Table provides an overview of compliance for each chapter applicable to your organization.
- AAAHC Standards, policies and procedures are reviewed and revised annually. You are invited to participate in the review through the public comment process each fall. Your organization will be notified when the proposed changes are available for review. You may also check the AAAHC website in late summer for details.
- Accredited organizations are required to maintain operations in compliance with the current AAAHC Standards and policies. Updates are published annually in the AAAHC *Handbooks*. Mid-year updates are announced and posted to the AAAHC website, www.aaahc.org.
- In order to ensure uninterrupted accreditation, your organization should submit the *Application for Survey* approximately five months prior to the expiration of your term of accreditation. In states for which accreditation is mandated by law, the *Application* should be submitted six months in advance to ensure adequate time for scoping and scheduling the survey.
NOTE: You will need the Accreditation Renewal Code found in the table at the beginning of this document to submit your renewal application.
