

2020

Cal State **Fullerton**

COMMENCEMENT **2020**

The background of the slide features a large, semi-transparent seal of California State University Fullerton. The seal is circular and contains the text "CALIFORNIA STATE UNIVERSITY" at the top and "FULLERTON" at the bottom. In the center of the seal is a tree with a sunburst above it, and the year "1957" is visible near the base of the tree.

TITAN

noun. (tɪˈtən):

One who stands out for
greatness of achievement

COMMENCEMENT 2020

CALIFORNIA STATE UNIVERSITY, FULLERTON

From the University President

Dear Class of 2020:

Congratulations! For months, I have been sharing with anyone who would listen (and some folks who likely didn't want to), that you — our esteemed class of 2020 — would not only be the largest graduating class in university history, but also the most resilient, culturally agile, and workforce-ready graduating class in the nation.

To be clear, any business owner, hiring manager, or mentor that any of you have worked for, studied under, or interned with during your Titan journey did not dispute my bold assertion. In fact, these people — your employers, mentors, and community leaders — actually buoyed that contention by repeatedly telling me something that has since become embedded in our new university-wide theme: “I will take a Titan over a graduate from any other university in the nation any day of the week.”

In other words, after witnessing first-hand your work ethic, perseverance, and intelligence, they realized what we at CSUF have always known: your grit, intelligence, and multicultural perspectives are as amazing as they are unmatched, and no university in the nation can or will produce more sought-after graduates.

As prominent as this widely-held belief was in Orange County before the COVID-19 pandemic, it has only grown in ubiquity since all of you, our class of 2020, led our dramatic pivot to virtual learning in the middle of your final semester. Already, you were admired for your academic excellence and tenacity, but your resilient response to this pandemic and your determination to complete your degree is now embedded in both Titan lore and the minds of employers and grad school admissions committees throughout Orange County and around the world.

So, it is with great joy and pride (and a bit of reminiscent sadness) that I take a moment to not only congratulate you for this tremendous academic achievement, but also thank you for helping lead Cal State Fullerton through this crisis. I also ask that you join me in thanking our faculty and staff along with your families for their immeasurable contribution to the success we collectively celebrate today. Let us proclaim it loud and clear: You earned this degree, just as you've earned the path to professional and personal success that comes with it. But it is also clear that you did not do so alone, and today is equally about celebrating the educators, family, and friends who helped get you here.

And finally, please know that you, Class of 2020, are the reason why the world is beginning to recognize what it takes to achieve excellence in our communities, diversity in our workforce, and social justice in our nation. It takes tenacity and grit. It takes academic rigor and excellence. It takes service and servant leaders.

In other words, It Takes A Titan, and YOU, Class of 2020, are the Titans it takes.

Sincerely,

Fram Virjee
President

From the Alumni Association President

Dear Graduates,

You made it! There is no doubt in my mind that you will be added to our nation's history as one of the most resilient, unique, and persevering graduating classes. Not only did you complete your academic journey at Cal State Fullerton, but you just lived through one of the most unique times in our global history.

As if your college experience wasn't rigorous enough, a global pandemic altered your final semester. But let's take the lessons of this unprecedented situation. You've proven to yourself that you are truly capable after completing your final semester virtually. Your loved ones have shown their love and pride in your accomplishment in their unique ways. And finally, you have earned a college degree; you will forever be a part of the TITAN family.

Graduation time signifies the ending of one chapter and the beginning of a new one. And no matter what the new chapter brings, know that Cal State Fullerton has prepared you to handle whatever comes your way. Having endured everything you've already experienced, we look forward to your creativity and ingenuity as you join us in building our new world, our new norm.

Today, you join a TITAN alumni family that is paving paths in all industries and is ready and willing to lend you a hand. As CSUF alumni, we are committed to the lifelong journey of our TITAN family members. We will celebrate together at each milestone or lend support when needed; remember to do the same for the next generation of TITANS. I urge you to stay connected to your alma mater, for there are countless ways to give back and make a difference. The Alumni Association is only a phone call or social media post away. Stay connected!

I hope you began celebrating your graduation from the moment you turned in that last paper or completed that last final with your family and all of your loved ones, whether in person, virtually, or via drive-thru caravans. Please know that your professors, mentors, staff, and everyone that you interacted with while at CSUF wants nothing more than to be with you on this occasion. Don't forget them.

When you receive your degree, take a moment to feel proud because you are the class of 2020, the most unique class yet. Never forget that "Titans Reach Higher!" Be a TITAN no matter where you go and know that a family of TITANS is here to support you!

Congratulations, Class of 2020!

Adam Koyanagi '07
CSUF Alumni Association President

About the Program

LIST OF CANDIDATES: Students eligible to participate in the 2020 commencement ceremonies are January 2020, June 2020 and August 2020 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: cum laude, 3.5 to 3.74; magna cum laude, 3.75 to 3.89; summa cum laude, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the University: white ribbons denote cum laude; orange ribbons denote magna cum laude; and blue ribbons denote summa cum laude. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 2019 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all University requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. The President's Scholars Program recognizes academic achievement, leadership, extracurricular activities and community service. Private donations from friends, parents and alumni fund the President's Scholars Program.

UNIVERSITY HONORS: Students graduating with University Honors have earned 24 units of Honors coursework, achieved a minimum grade point average of 3.5, and completed a Senior Honors Project. These students have been awarded medallions for their achievement. Program notations are based on the students' records at the end of the fall 2016 semester. Official award of University Honors (which is indicated on the diploma) is contingent upon the candidate having met all University requirements and related criteria.

ACADEMIC HONORS: "Academic Honors" designation is awarded to graduate students whose overall cumulative grade point averages are 3.9-4.0.

WITH DISTINCTION: "with Distinction" designation is awarded to graduates students whose culminating thesis, comps, or project is completed with distinction as defined by the academic unit.
