Priority General Education (GE) Advising

March 7-18, 2022

One of the benefits of being part of the *I am First. I am an Artist.* program is your participation in priority GE advising and registration support. Retention Specialist Tracey Sohner will review your academic progress, discuss GE requirements, and provide registration support. This advising appointment does not remove your major advising hold. To get the major advising hold removed, you must complete your department advising requirement. Please check your CSUF email for more information on how to schedule an appointment with Tracey Sohner.

Arts Week

April 11-15, 2022

Arts Week is a college-wide educational program that showcases all disciplines of the College of the Arts, including Visual Arts, Dance, Music and Theatre. It provides a spotlight for artists to shine while collaborating with faculty and professionals in the field of arts. More information coming soon.

End of the Year Recognition

May 2022

We want to recognize your accomplishment for completing your first year. More information coming soon.
