V. PRESIDENT’S REPORT
Pres. Alva acknowledged and thanked Auxiliary Services for their role in College Park and El Dorado Ranch. She noted Auxiliary Services’ work thru Campus Dining in providing affordable, healthy meal options. With 42,000 students, CSUF is a large campus; we admitted our largest incoming class with 7100 first-time freshmen, 4000 transfer students, and 1800 graduate students. She looks forward to robust and broad conversations around enrollment, to be proactive in retention.
CSIU is #2 in California for awarding degrees to women, #3 in the nation for awarding degrees to Latinx and underrepresented students, #2 in social mobility according to U.S. News & World Report, and a federally-designated Hispanic-Serving Institution.

VI. **ASI PRIORITIES 2023-24**

She expanded on her campaign goals of Financial Success, Titans Together, Student Wellness and Advocacy. Upcoming ASI events include Beyond the Conversation with Ke Huy Quan (“Everything Everywhere All at Once”) on 09/28/23, ASI Community Chat on 10/12/23, Tailgates with Athletics on 10/05/23 and 10/11/23, Social Justice & Equity Commission’s “Halloween Costumes and Cultural Appropriation” on 10/04/23 and Community Engagement Commission’s LGBTQ+ in Higher Education Panel on 10/26/23.

There are no homes currently in escrow and there are 128 people on the waitlist. Campus Dining saw an increase in total revenue of 25% over the previous year, with transaction increasing 27%; campus Starbucks locations saw increases in revenue of 49% and transactions of 46%. The increase was so much that the stores ran out of product, despite planning and order placement. On financials, Auxiliary Services’ year-to-date (YTD) actual net surplus for General, Buildings and Enterprises was ($592K), budgeted YTD was ($547M), a negative variance of ($45K). For other activities, YTD actual net surplus was $641K, budgeted to be ($1.13M), a positive variance of $1.77M.
