Majors Recruited: Communications
Program Type(s): CSUF Program
The College of Communications offers master's degrees in three departments: Dept of Communications, Dept of Human Communication Studies; and Dept of Cinema and Television Arts.

9 | CSUF - College of Education
Majors Recruited: Education
Program Type(s): CSUF Program
Educational Leadership (ed.fullerton.edu/edleadership) - We prepare equity-driven leaders for California's schools and communities through real-world learning that empowers them to create change and make a lasting impact.

Elementary and Bilingual Education (ed.fullerton.edu/edel) - CSUF's Department of Elementary and Bilingual Education prepares teachers to support diverse children and families through inclusive, equitable education. Graduates are equipped to teach, lead, and make a positive impact from day one.

10 | CSUF - College of Education
Majors Recruited: Education
Program Type(s): CSUF Program
Secondary Education (ed.fullerton.edu/seced) - The Department of Secondary Education prepares educators to teach middle and high school students through credential and master's programs. Experienced faculty provide guidance in teaching, curriculum, social justice, and educational leadership.

Special Education (ed.fullerton.edu/sped) - CSUF's Department of Special Education prepares compassionate educators with the skills to support all learners. With expert faculty, online classes, and flexible pathways, students are supported in becoming leaders who make a lasting impact in education.

8 | CSUF - College of Engineering & Computer Science **www.fullerton.edu/ecs**
Majors Recruited: Engineering and Computer Science
Program Type(s): CSUF Program
Telephones. Television. Computers. CD players. Can you imagine what your life would be like without these inventions? The people who gave us these innovations include engineers and computer scientists who use their knowledge and imagination to solve problems, expand possibilities, and help humanity. You can be among those who drive technological progress to shape our world in the 21st Century.

5 | CSUF - College of Health and Human Development
Majors Recruited: Health and Human Development
Program Type(s): CSUF Program
Department of Counseling (hhd.fullerton.edu/counsel) - The CSUF Department of Counseling offers a Master of Science in Clinical Mental Health Counseling and Marriage and Family Therapy. Our program is approved by the California State Board of Behavioral Sciences (BBS) to meet all educational requirements for state licensures as Licensed Professional Clinical Counselors (LPCCs) or the Licensed Marriage and Family Therapist (LMFT) in California.

Department of Public Health (hhd.fullerton.edu/pubh) - The MPH program at Cal State Fullerton is an advanced course of study designed to train the next generation of public health committed to meeting society's collective interest in assuring healthy environments and equitable opportunities that allow people to thrive.

6 | CSUF - College of Health and Human Development
Majors Recruited: Health and Human Development
Program Type(s): CSUF Program
Department of Social Work (hhd.fullerton.edu/msw) - CSUF offers three MSW pathways: a two-year, full-time program (60 units); a three-year, part-time program (60 units) with evening classes and summer coursework; and a one-year Advanced Standing program (30 units). All programs include supervised practicum fieldwork, with placements requiring 525 hours each, completed between August and May.

7 | CSUF - College of Health and Human Development
Majors Recruited: Health and Human Development
Program Type(s): CSUF Program
Department of Kinesiology (hhd.fullerton.edu/knes) - The Master of Science in Kinesiology prepares students to enter professional careers in areas such as corporate/commercial fitness, older adult fitness and wellness, advanced pedagogy, sport, exercise and performance psychology, and athletic coaching.

3 | CSUF - College of Humanities and Social Science
Majors Recruited: Humanities and Social Sciences
Program Type(s): CSUF Program
Department of American Studies (amst.fullerton.edu) - Our department explores American culture through literature, music, film, and more. Students develop critical thinking skills, explore their interests, and prepare for future careers through flexible courses and internships.

Department of Politics, Administration, and Justice (paj.fullerton.edu) - The Division of Politics, Administration & Justice includes Criminal Justice, Political Science, and Public Administration. It offers degree and minor programs while preparing students for public service and supporting the campus community.

Department of Psychology (psychology.fullerton.edu) - Our mission is to support student success through excellent teaching, mentoring, and research in psychology. We celebrate diverse backgrounds and empower students to build skills, pursue careers, and promote social justice, equity, and inclusivity in their communities.

Department of Spanish (mll.fullerton.edu/programs/spanish) - Our Spanish program explores the language, culture, history, literature, and society of Spain and Spanish America while developing students' critical thinking and communication skills.

4 | CSUF - College of Humanities and Social Science
Majors Recruited: Humanities and Social Sciences
Program Type(s): CSUF Program
Department of Aging Studies (hss.fullerton.edu/agingstudies) - The unprecedented growth of the older population has created a high demand for well-trained specialists with knowledge and expertise in Aging that go beyond the proficiency typically gained in other fields. The Masters of Science in Gerontology prepares students to meet that demand.

Department of Modern Languages and Literatures (mll.fullerton.edu) - The Department of Modern Languages and Literatures supports student success through quality teaching, scholarships, and language activities funded by generous donors and offers a range of graduate programs.

Department of Anthropology (anthro.fullerton.edu) - Anthropology studies what makes us human by exploring human history, culture, and diversity. It includes four areas: archaeology, biological, cultural, and linguistic anthropology, offering a broad understanding of human experiences across time and place.

Department of History (hist.fullerton.edu) - The Department of History offers bachelor's, minor, and master's programs, along with academic advising and a Pre-Credential Program. Students can gain experience through internships, join history organizations, participate in research, and publish their work in the student journal.

2 | CSUF - Office of Graduate Studies **www.fullerton.edu/graduate/gsc**
Majors Recruited: All Majors
Program Type(s): CSUF Program
CSUF provides high-quality educational experiences for students from diverse cultural and economic backgrounds. We offer 57 master's and doctoral programs in a wide variety of disciplines, leading to upward mobility through meaningful employment, Ph.D. programs, or professional degrees.

1 | CSUF - University Extension **extension.fullerton.edu**
Majors Recruited: All Majors
Program Type(s): CSUF Program
University Extension advances educational and career success through online bachelor's degree completion, flexible graduate programs, pre-health and teacher training, workforce development, summer and winter sessions, Open University, and certificates.

64 | Idaho College of Osteopathic Medicine **icom.edu**
Majors Recruited: All Majors
Program Type(s): Health Sciences
The Idaho College of Osteopathic Medicine educates students to become highly competent and caring osteopathic physicians and healthcare leaders dedicated to delivering whole-person care in Idaho and other underserved communities.

54 | Keck Graduate Institute **kgi.edu**
Majors Recruited: Pre-Health Professions Studies, Chemistry , Engineering, Pre-Health Self Support CRT, Pre-Health Post-Bac Pgm. CRT, Health Science , Pre-Health Post-Bac Pgm. PRP, Human Services , Kinesiology , Nursing
Program Type(s): Health Sciences
At KGI - Keck Graduate Institute (a proud member of The Claremont Colleges), we offer a unique and distinct portfolio of innovative biotechnology, healthcare, and research graduate programs through our three schools: the Riggs School of Applied Life Sciences, the School of Health Sciences, and the School of Pharmacy. Our programs span biotechnology, healthcare, genetics and genomics, engineering, and more.

77 | Loyola Marymount University **graduate.lmu.edu**
Majors Recruited: All Majors
Program Type(s): Multiple Disciplines
Loyola Marymount University offers advanced-degree programs characterized by rigorous academic inquiry and close mentorship from faculty experts. Situated in Los Angeles, a city rich in entrepreneurial, cultural, and networking opportunities, LMU's portfolio of over 50 master's, certificate, credential, and doctoral programs provide a diverse range of career-enhancing skills.

74 | Marshall B. Ketchum University **www.ketchum.edu**
Majors Recruited: Biology , Chemistry , Pre-Health Self Support CRT, Pre-Health Post-Bac Pgm. CRT, Health Science , Pre-Health Post-Bac Pgm. PRP
Program Type(s): Health Sciences
Located right across the street from CSUF, Marshall B. Ketchum University is an independent, private, non-profit, accredited educational institution. MBKU is now home to the Southern California College of Optometry, the School of Physician Assistant Studies and College of Pharmacy. The university confers a four-year Doctor of Optometry (O.D) and a Master of Science in Vision Science (M.S) degree.

69 | Midwestern University **www.midwestern.edu**
Majors Recruited: All Majors
Program Type(s): Health Sciences
Join the 21st century healthcare team at Midwestern University. Healthcare education is what we do. We're an established leader with an exciting vision for the future. Midwestern University offers programs that give you solid footing in the sciences, extensive hands-on experience in outstanding clinical rotations, and a compassionate perspective toward your patients.

UC Irvine
